Von Karen Ranney : My True Love (The Loved) before purchasing it in order to gage whether or not it would be worth my time, and all praised My True Love (The Loved):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Could have been betterVon SarahI really enjoyed MY BELOVED, the 1st story in this series, but this one seemed to fall a little flat. Both books have a similar feel, slow moving, with a lot of everyday living in it. Normally I don't mind this,

but in MY TRUE LOVE, something got lost. This story ties in with the earlier one, but if you hadn't read the earlier story, I fear you would be very confused. Also, where the earlier story had depth, involving the Knights Templar, and intrigue, and basically a plot, this story just plodded along. The era of war between the Royalists and Parliamentarians was a bloody and a very suspicious time. This was also the height of the witch trials. Wouldn't Sebastian have been a bit suspicious of someone who seemed to know him and his feelings when he had never met her before? He has his duty to the king, which he is obviously rebelling against, but feels that it is dishonorable to do so. I just didn't get any strong feelings of passion from our characters. Although there are a few threads that weave from the beginning of the story to the end, I basically felt that we were denied a plot. Yes, our heroine and hero meet and fall in love, and there are some extraneous subplots that keep the story interesting, but overall, there is not a really big, all encompassing plot to keep the reader's interest. Also, I am disappointed in Sebastian and the choices he makes involving his ancestral home. If you want to follow the series because you enjoyed MY BELOVED, then pick this book up, otherwise I would bypass this story.

1 von 1 Kunden fanden die folgende Rezension hilfreich. Karen Ranney *knows* how to tell a beautiful story... Von Julianne Karen Ranney *knows* how to tell a beautiful story... And MY TRUE LOVE is no exception. Ms. Ranney weaves a magical tapestry about a Scottish young woman, named Anne Sinclair, who falls in love with a man... that she's only seen in her mystical visions. Stephen Harrington, the Earl of Langlinais, is the man of her dreams, literally. And when he finds her in peril on his land, he not only rescues her but also finds himself absolutely enchanted by her... Thus begins the love story so powerful and unexplainable.. that even defies time and space. A tale of true love that began in MY BELOVED comes full circle. I thought the story of Juliana and Sebastian was good! And have been anticipating the release of this book for months! And I surely was not disappointed by Karen Ranney. She sucks you in by her lyrical and almost poetic writing, making you a part of the character, plot... even the magical castle Langlinais. Ms. Ranney's words and sentences are packed with so much meaning and depth... creating a mystical ambience throughout the book. I enjoyed and savored Anne Stephen's story. Two people in the midsts of a civil war, drawn by forces they don't even understand. It's an amazing love story with a great ending. I can't wait to see what Karen Ranney comes up with next.

Julianne 1 von 1 Kunden fanden die folgende Rezension hilfreich. Enjoyable, but don't forget the oven mits! Von Kim Headlee Sensuality rating: NC-17 To most women, meeting the man of their dreams occurs only figuratively. Not so with Anne Sinclair, daughter of the Laird of Dunniwerth. As a child of eight, Anne caught her first glimpse of a boy she knew only as Stephen, hailing from some unknown place called Langlinais. No mere dream, her vision came as a glimmering, fishbowl-like window into his world. For the next 15 years, Anne glimpses through this weird portal Stephen's anguish and joy, his triumphs and defeats, his interests and a few of his secrets as he grows to manhood. With each new vision, Anne's heart grows inexorably closer to his. Never once does Stephen seem aware of her presence, but Anne knows that she must one day embark upon a quest to find this mysterious man. Their predestined meeting would forever change the course of both their lives, as well as the lives of those around them. Stephen Harrington, 17th earl of Langlinais and commander of the "Blessed Regiment" cavalry squad, has grown weary of supporting his king, Charles I, in what he secretly considered a losing cause. Defying the king's command, Stephen returns home after a battle to bury his dead and nurse a festering wound. Stephen doesn't count upon meeting the woman of his dreams -- in the figurative sense -- as Anne flees across his own lands from an enemy patrol. Rescuing her proves far easier than divining her secrets, such as why Anne traveled onto English soil to seek him out. Falling in love with her seems only natural at first, until the king's Parliamentary enemies threaten to drive a wedge between them that even love cannot hope to surmount. The first 90 percent of My True Love tells an engrossing tale of forbidden love amidst the uncertainty of war. Then, inexplicably, the dramatic tension slackens for a while, only to be artificially heightened by the inadequately explained actions of Anne's father -- almost as if to pad out the novel to the requisite length. A couple of other plot elements, such as the fate of a secondary character, suffer from similar mishandling. Otherwise, Ms. Ranney delivers an enjoyable read. Just be careful the hot spots don't singe your fingertips.
