The story is exciting and very original and the ending was to my satisfaction. This is a quick read that leaves you wanting for more. I recommend it to anyone looking for a fast suspenseful read. This story will do well for both the young and the old.0 von 0 Kunden fanden die folgende Rezension hilfreich. Folgen von Glauben fr eine FamilieVon TamaraIch fand die Idee des Buches sehr reizvoll. Ich wollte wissen, wie die Charaktere mit der Herausforderung umgehen. Teilweise hat mich das Buch auch berzeugt und meine Fragen beantwortet.Andererseits fand ich das Ende nicht angemessen, es war fr mich zu

optimistisch und zu positiv. Auch fand ich die Menschen dort etwas zu naiv, irgendwie hat sich keiner Gedanken über die Unstimmigkeiten gemacht, und wenn dann nur sehr wenig und das fand ich unglaublich. Sprachlich und stilistisch fand ich das Buch auch nicht wirklich toll, da bin ich besseres gewohnt. Ich kann die Intention des Autors gut verstehen und die hat mir auch gefallen, die Umsetzung gefiel mir nicht so.

Kurzbeschreibung Danai has given birth to triplets. Her people believe that twins and triplets share one soul, and the law says she must kill two of her triplets and spare only the firstborn triplet. Danai becomes the first woman to break this law. She knows that the penalty is execution. Now she must fight for the lives of her triplets and for her own life. With her daughters help, she hides two of her triplets and pretends she gave birth to one baby. She not only has to keep the secret from the outside world, but also from her own husband. As the triplets grow, her secret becomes harder to keep. This is the story the triumph of a mother's love and a sister's love in difficult times. It is also a story of teenage romance in difficult times. I dedicate this thriller to all women and children who suffer from unjust laws and unjust cultural malpractices.
