Von Iraj Pezeshkzad : My Uncle Napoleon (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised My Uncle Napoleon (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. My BibleVon chromeA beautiful story and MOVIE...I've read it several hundered times and watched the film since I was 10...characters in this book each have thier own personality and ideas, they are facing many problems which are funny and is/was faced by real people and they are dealing with a very REAL problem in society....If you can understand the persian language I strongly recommend you to watch the movie (which is about 9 or 10 hours) or read the book in persian...although the english version is BEAUTIFUL.AS... it is also available in other languages.1 von 1 Kunden fanden die folgende Rezension hilfreich. My Uncle NapoleonVon Molnr ZsfiDie iranische Gesellschaft : wie sie ist und funktioniert ; in diesem Roman dies alles zu erfahren ist . Sehr wertvoll .0 von 6 Kunden fanden die folgende Rezension hilfreich. einfach nur seichtVon hallgehabedas buch nach empfehlung einer iranerin gekauft und mir

witzige geschichte erwartet.wie schon geschrieben einfach nur seichte literatur. weder geistig anregend noch witzig noch konnte ich etwas daraus lernen.schade um das papier auf dem es gedruckt wurde.

Kurzbeschreibung"The existence in Persian literature of a full-scale, abundantly inventive comic novel that involves a gallery of varied and highly memorable characters, not to mention scenes of hilarious farcical mayhem, may come as a surprise to a Western audience used to associating Iran with all that is in their eyes dour, dire and dreadful." (From the Preface)Set in a garden in Tehran in the early 1940s, where three families live under the tyranny of a paranoid patriarch, My Uncle Napoleon is a rich, comic and brilliantly on-target send-up of Iranian society. The novel is, at its core, a love story. But the young narrator's delicate and pure love for his cousin Layli is constantly jeopardized by an unforgettable cast of family members and the hilarious mayhem of their intrigues and machinations. It is also a social satire, a lampooning of the widespread Iranian belief that foreigners (particularly the British) are responsible for events that occurs in Iran. But most of all it is a very enjoyable, often side-splitting read that you wish did not have to end. First published in Iran in the early 1970s, the novel became an all-time best-seller. In 1976 it was turned into a television series and immediately captured the imagination of the whole nation-its story became a cultural reference point and its characters national icons. Dick Davis' superb English translation has not only captured the uproarious humor of the original but has also caught the delicate, underlying vibrancy of the Persian.PressestimmenA gift both to readers fascinated by other cultures and to lovers of fiction for fictions sake.The Washington Post Book WorldReaders can gain a more balanced impression of Iran from this novel, which looks at life from the kind of humorous perspective few Westerners may associate with the current regime in that country.The Christian Science MonitorA masterpiece of contemporary world fiction.Baltimore SunHowlingly funny . . . [a] tender, salacious and magical Iranian import.Cleveland Plain Dealer A giddily uproarious mixture of farce and slapstick.The Atlantic
