Von Carolyn Jewel : My Wicked Enemy (My Immortals) before purchasing it in order to gage whether or not it would be worth my time, and all praised My Wicked Enemy (My Immortals):

near the end when our heroine added a second man to her bed. This seemed an almost entirely gratuitous and pointless scene for the overall plot and didn't fit in well with the idea of one-man-one-woman that the rest of the book suggested and overall with the sexual content of this kind of book. After that scene I rather lost faith in the book and I imagine this might be a criticism from other readers. Apart from this scene the overall storytelling was very good in this book. Carson Philips, a young woman, is on the run after discovering her guardian has murdered someone. She is accosted by an unknown but rather handsome man who tells her that it's his job to kill her because she's a witch. She doesn't know the first thing about this and eventually Nikodemus, a four thousand year old fiend, realises she's telling the truth. Carson has escaped from the evil mage Magellan and has taken an important artefact with her which Magellan needs for a dodgy ritual to gain the power of a fiend for himself. Nikodemus has to get Carson up to speed very quickly with the strange world in which she now finds herself. Carson and Nikodemus continually have to dodge people trying to kill them, mostly fiends who are bound to their mage-masters despite being desperate to be free. As Carson's fluctuating powers begin to increase she finds that she has an unusual ability to rescue these people from their mage-bindings. But can Carson and Nikodemus keep themselves safe from all those trying to kill them, and can Carson survive all the events that happen to her? Overall this was a good read with a love story which was generally believable, particularly the parts where Nikodemus realises he is going against cultural rules and breaking taboos with his relationship to Carson. Of course the above-mentioned three-in-a-bed scene rather killed the romance side of the book for me (clearly I'm a traditionalist) but apart from this the story worked well overall. Carson was a rather weak and inept character at times, at others she seemed strong if rather impetuous. Nikodemus was a little hard to get to know, despite hearing most of the story from his viewpoint, but some of the side characters were interesting and added spice to the story. I just wish the author had left out THAT scene. Originally published for Curled Up With A Good Book Helen Hancox 2008

Kurzbeschreibung A desire that can't be controlled... Carson Philips is a witch on the run. For years, the notorious mage, Alvaro Magellan, has held her as his psychological prisoner. But once Carson gets a glimpse of the true extent of his evil, she flees Magellan's mansion--stealing a stone talisman of unimaginable power on the way. Her only hope for survival is a demon who ignites a voracious hunger in her she can't deny, a longing she can't resist... A hunger that can't be sated... Nikodemus is a warlord with a mission: Kill Magellan and his green-eyed witch at any cost. But when he meets the desperate Carson, the pull of her magic takes his breathe away. He's not sure he can trust this tantalizing woman--she is his enemy--and less sure he can keep his hands off her. But Magellan will stop at nothing to reclaim what belongs to him. Can Nikodemus stop him before his desire for Carson destroys them both? Pressestimmen "Jewel casts a wicked spell!
