**Von Karen Ranney : My Wicked Fantasy** before purchasing it in order to gage whether or not it would be worth my time, and all praised My Wicked Fantasy:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. One of

romance's bright new and talented stars Von Ein Kunde A decade has passed since Alice, the wife of the Earl of Sanderhurst, Archer St. John, suddenly vanished. Among the Ton, there is no doubt that Archer did away with his spouse. Archer literally disappeared from polite society. When Archer accidentally runs down Mary Kate Benner, he takes the injured widow into his home so she can recover. However, she starts revealing things about his missing wife that no one but Archer and Alice should know. Archer, who desperately wants to learn what really happened to Alice, begins to hope that his guest can supply him with needed answers. Meanwhile Mary finds herself attracted to her enigmatic host, but wonders what role he played in Alice's disappearance and why does Alice want her to protect him from pending danger? He also finds himself falling deeper in love than he ever did before. However, learning the truth about Archer's wife may prove very dangerous for the intrepid couple. Karen Ranney adeptly blends mystery and supernatural elements into a refreshing Regency romance that will thrill fans of all three genres. The lead protagonists are an appealing pair struggling with a puzzling past and an eerie present in hopes of carving out a loving future together. MY WICKED FANTASY is a romantic treasure that will propel Ms. Ranney's name towards the top of the historical romance universe.

Harriet Klausner 0 von 0 Kunden fanden die folgende Rezension hilfreich. awesome story. Great plot. Von Ein Kunde This is the first book I have read by Karen Ranney. I was quite surprised. The only drawback to the book I felt was Author Ranney did get a little too wordy trying to lure you into the sights and sounds. I found myself reading the first line of each paragraph and moving on. Although, it didn't take long to find myself wondering what happened to Alice and subsequently, found myself totally absorbed into the story. The plot was very believable. I work in a field where I hear about and see these types of crimes every day. Good suspense story. I look forward to reading her other books. I hope they are as satisfying.

0 von 0 Kunden fanden die folgende Rezension hilfreich. Disappointing.... Von Ein Kunde If this was the first Romance novel I had ever read, I'd be hesitant to read another one soon. Now that makes this book sound terrible, which it wasn't. It just had such slow spots that I just wanted to jump into the story and shake them all. Mary Kate was good hearted but basically a weak-willed wimp. Archer, as the tortured hero, wasn't believable when he finally was smiling and happy. Bernie was my favourite character but she wasn't strong enough to hold the story up. Too long, too drawn out, TOO WORDY. I'm going to try Ranney's earlier books - maybe they were better. Read this if you like slow, tortured Regency.

Kurzbeschreibung An explosive encounter leads to . . . After Mary Kate Bennett becomes a young widow, she's left to fend for herself without a penny. When she is in a terrible carriage accident, Mary Kate awakens in the bed of the mysterious Archer St. John and to a life more luxurious than she could have ever imagined. But more unsettling is the desire this wickedly handsome stranger sets off in her. The most intoxicating passion . . . The whispers about Archer follow him wherever he goes. Did the reclusive nobleman murder his unhappy countess? When Mary Kate enters his life so unexpectedly, the bold earl is convinced that she has all the answers he's been searching for. So why can't he think of anything else besides her decadently red hair, her luminescent skin, and the feelings she evokes whenever she is near? Their love can be a fantasy or it can be strong enough to seal their destinies forever.

KAREN RANNEY wanted to be a writer from the time she was five years old and filled her Big Chief tablet with stories. People in stories did amazing things and she was too shy to do anything amazing. Years spent in Japan, Paris, and Italy, however, not only fueled her imagination but proved that she wasn't that shy after all. Yet she prefers to keep her current adventures between the covers of her books. Karen lives in San Antonio, Texas, and loves to hear from her readers at [karen@karenranney.com](mailto:karen@karenranney.com). From Library Journal When a violent carriage accident renders young widow Mary Kate unconscious, she ends up in the care of the notorious Earl of Sanderhurst, a man with a wicked reputation and a mysteriously missing wife. The Earl's suspicions that Mary Kate knows something about his wife's disappearance, Mary Kate's unusual "dreams," and a dash of pure evil add to a convoluted plot that combines the darker issues of madness, incest, and murder with the lighter aspects of passion and romance to produce a fast-paced, quite readable story. Ranney's (A Promise of Love, Zebra, 1997) works might also appeal to fans of Mary Balogh.
