KurzbeschreibungWith Scotland in the grip of a nationwide witch hunt, Isobel MacDonell is hiding in England. But when Sir Philip Kilpatrick arrives to escort her to her betrothed in the Highlands, Isobel must face a harrowing journey through a land of fear and suspicion. Soon, however, Philip grows reluctant to deliver Isobel to the noble intended she has never met. Isobel has charmed her way into his heart...and yet her determination to use her magic to solve the dark mystery of Philip's tortured past could destroy them both.From BooklistIn Holling's superb trilogy, it's 1597, and Scotland is no place for witches. After Alan MacDonell's wife was burned at the stake, he sent his three daughters away. Now he is dying and sends three escorts to bring them back to marry men he believes will protect them from the witch hysteria.In My Wicked Highlander, Sir Philip Kilpatrick is sent to retrieve Isobel. Philip, who has spurned his inheritance, becomes enamored of Isobel and fears for her as well. Isobel is a seer and cannot help but use her powers when they are needed. Philip becomes her protector and, honorable to the last, refuses to act on his feelings because Isobel is betrothed to another. But when Isobel meets her fiance, rumored to have killed his wife, she and her sister, Gillian, switch their intendeds. Medieval Scotland comes to life in Holling's tantalizing trilogy, and each book is moving and engrossing, as each tormented hero is saved, not by the powers of the MacDonell sisters but by their love. Through her alluring characters, Holling celebrates the triumph of good over evil, especially in dangerous times, and no one should miss these fine romances.
