Needs serious editing Von -Kunde Lots of errors the spell checker would not discover as they are simply the wrong words written correctly.... very distracting... has a certain entertainment value, but can certainly not be seen as a portrayal of the lifestyle... more like the authors tried to cram all the extreme practices they could think of into one story.... also has nothing to do with pet play other than the woman wears a dog collar and crawls... oh... an once carries something in her mouth like a dog.... 0 von 0 Kunden fanden die folgende Rezension hilfreich. nice story Von Andreas Lamers with a lot of changes, the characters looks not sure what they are and want, but the atmosphere is nice

Kurzbeschreibung What does one do after being married for twenty years and getting bored with sex with one mate? Role play, at least thats what this couple did as the husband turns his wife into his dog slave. And when he put the dog collar around her neck, it opened the door to lots of hot nasty sex. If you like hot nasty sex this is a read for you. Kurzbeschreibung What does one do after being married for twenty years and getting bored with sex with one mate?
