Von Rosanne Bittner : Mystic Dreamers before purchasing it in order to gage whether or not it would be worth my time, and all praised Mystic Dreamers:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Excellent Native-American RomanceVon Ein KundeIn 1836 on the Great Plains, Lakota warrior Rising Eagle learns from the shaman that he is to marry Buffalo Dreamer, a person belonging to another clan who foresees the future. After winning her hand by accomplishing the deeds set forth by her father and earning her love, Rising Eagle and Buffalo Dreamer marry.Over the subsequent years, the duo's love for one another and their growing family turn into

the only thing that keeps them from deep depression. Wherever they and their tribe lives the Whites follow in masses, polluting the land and water, and bringing the deadly small pox with them. Buffalo Dreamer continues to envision the bleak future even as she predicts the one shining moment in their future, a triumphant last stand victory. Like its predecessor MYSTIC DREAMS, MYSTIC VISION brings alive a bygone era so vividly the audience believes they are observing events first hand. The entire cast provides readers with a feel of the period, especially the gloom felt by Indians as their way of life seemed destined to be trampled under an endless stream of Whites. The story line is crisp and entertaining. However, the characters with their motives, interrelationships, and the emotional stress countered by happiness make this another triumph for Rosanne Bittner and fans of historical romance.

Von Huntress Reviews
Begins in June 1836, The Month of Making Fat. We return to the Lakota tribe. Still the same characters as the first book, "Mystic Dreamers". If you have not read the first book, do not worry, you will still understand the entire book. We see what happens to Fall Leaf Woman and her son, Spirit Walker. We witness casualties of war and some new faces. This book holds back no punches and is extremely realistic! It will make you laugh out loud, smile in joy, and scream in anger! You will feel the loss of friends from the first book and revel in the revenge of the Lakota in way that only the Lakota could do!*** This book continues where "Mystic Dreamers" (now in paperback) left off! Just as amazing as the last, this book follows history with great accuracy. A powerful and dramatic story that will leave its readers breathless! I was captivated from the very first paragraph! I felt like crying when it ended because I was begging for more! My only consolation was knowing that "Mystic Warriors" would come out. Here is a series that thousands will collect in hardback versions for their "keeper shelf". I will be one of them! ***

KurzbeschreibungFor over a decade, Rosanne Bittner has enchanted her readers with tales of adventure and romance in the times before the White Man settled the West. Now, in the tradition of Kathleen O'Neal Gear and W. Michael Gear, the bestselling author of *Song of the Wolf* and the *Savage Destiny* Indian series turns her hand to historical fiction with a wonderful new story of Native America sure to capture you and carry you on an adventure of love and hate, good and evil, life and death. In 1833, Star Dancer, a Sichangu (Brul Sioux), is promised in marriage to Stalking Wolf, an Oglala warrior whom she has never met. What begins as a loveless union develops into a moving story of a man and a woman led by powers beyond their control. Dreams, visions, and mystic experiences fill this provocative love story that launches a saga about the Lakota and their first meeting with the White Man. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Pressestimmen "Rosanne Bittner is one of the best writers of Native American romance stories and *Mystic Dreamers* is one of her best efforts to date." -- Janelle Taylor, bestselling author of *Lakota Dawn* "I'm a great admirer of Rosanne Bittner. *Mystic Dreamers* is beautifully written." -- Loren D. Estleman, author of *Thunder City* "Filled with suspense and high emotion." -- Booklist
