Von Rosanne Bittner : Mystic Visions (Mystic Dreamers) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Mystic Visions (Mystic Dreamers):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Excellent Native-American Romance Von Ein Kunde In 1836 on the Great Plains, Lakota warrior Rising Eagle learns from the shaman that he is to marry Buffalo Dreamer, a person belonging to another clan who foresees the future. After winning her hand by accomplishing the deeds set forth by her father and earning her love, Rising Eagle and Buffalo Dreamer marry. Over the subsequent years, the duo's love for one another and their growing family turn into the only thing that keeps them from deep depression. Wherever they and their tribe lives the Whites follow in masses,

polluting the land and water, and bringing the deadly small pox with them. Buffalo Dreamer continues to envision the bleak future even as she predicts the one shining moment in their future, a triumphant last stand victory. Like its predecessor MYSTIC DREAMS, MYSTIC VISION brings alive a bygone era so vividly the audience believes they are observing events first hand. The entire cast provides readers with a feel of the period, especially the gloom felt by Indians as their way of life seemed destined to be trampled under an endless stream of Whites. The story line is crisp and entertaining. However, the characters with their motives, interrelationships, and the emotional stress countered by happiness make this another triumph for Rosanne Bittner and fans of historical romance.

Harriet Klausner 0 von 0 Kunden fanden die folgende Rezension hilfreich. You must read this one! Von Huntress Reviews Begins in June 1836, The Month of Making Fat. We return to the Lakota tribe. Still the same characters as the first book, "Mystic Dreamers". If you have not read the first book, do not worry, you will still understand the entire book. We see what happens to Fall Leaf Woman and her son, Spirit Walker. We witness casualties of war and some new faces. This book holds back no punches and is extremely realistic! It will make you laugh out loud, smile in joy, and scream in anger! You will feel the loss of friends from the first book and revel in the revenge of the Lakota in way that only the Lakota could do! *** This book continues where "Mystic Dreamers" (now in paperback) left off! Just as amazing as the last, this book follows history with great accuracy. A powerful and dramatic story that will leave its readers breathless! I was captivated from the very first paragraph! I felt like crying when it ended because I was begging for more! My only consolation was knowing that "Mystic Warriors" would come out. Here is a series that thousands will collect in hardback versions for their "keeper shelf". I will be one of them! *** 0 von 0 Kunden fanden die folgende Rezension hilfreich. Make room on your "Keeper" shelf for this one Von Detra Fitch Begins in June 1836, The Month of Making Fat. We return to the Lakota tribe. Kurzbeschreibung In Mystic Dreamers, best-selling author Rosanne Bittner began a compelling saga with the meeting of Buffalo Dreamer, a holy woman, and Rising Eagle, a warrior whose powers were unmatched, for he had been blessed by the Feathered One. Now, in a new story sure to enthrall both new readers and devoted fans, Bittner follows Buffalo Dreamer, Rising Eagle, and their children through the great Indian wars and the settling of the West, where, in addition to the risks and rewards of daily life, they and their Lakota tribe must face the influx of white settlers and soldiers into their lands and into their lives. In Mystic Visions, we experience Buffalo Dreamer's increasingly powerful visions of the bluecoats and a coming war. We learn the fate of Little Big Boy and Never Sleeps, and of Never Sleeps's mother, Fall Leaf Woman. And we meet the one who is destined to lead the Lakota People in their greatest trial ever, Crazy Horse!
