seduction Von Emma was für eine Überraschung, in dieser Reihe einen solchen Märchenstoff zu finden. Die anderen "Protectors" habe ich auch gerne gelesen, aber dieses gefällt mir am besten.

Kurzbeschreibung Sometimes fate doesn't let you walk away....The powerful Horace West doesn't want a woman in his life. Women are nothing but trouble. And that's what he gets when lust takes over and he has sex with Faith Summers--trouble. The sultry vixen was doing everything in her power to drive him crazy. Even so, it was a mistake. A huge mistake. Faith is human. He is not. He's a Protector--a race of beings with mystical powers--who protects the humans from otherworldly attacks. Somehow, while having sex with Faith, he transferred his powers to her. And now, unless he can undo what he's done, Faith will have to die.
