Abschluss von Bcherliebe Schn war's. Catherine und Watts leben glücklich bis ans Ende ihrer Tage. Ihre Chemie hat einfach gestimmt. Es wurde sogar noch richtig romantisch. Am spannendsten fand ich allerdings den ersten Teil, als sie sich noch nicht persönlich kannten. Das hat die kribbelige Stimmung ausgemacht. Aber die Geschichte musste ja weitergehen. Es gab zwischendurch sogar Tote zu beklagen. Nun wurden alle Probleme zufriedenstellend aufgeklärt, die Mission ist beendet und es gibt einen glücklichen Leser mehr. Dafür 4,5 heiße und spannende Sterne.

Kurzbeschreibung The hottest and most intense installment this is the thrilling conclusion to the SHATTERPROOF series. You're going to have to make a choice, and it's not going to be an easy one. I'm not the man you think I am. - Watts Catherine made her choice. Now Watts faces an unexpected ultimatum from a nemesis that could threaten to tear them apart, just as he's dealing with his riskiest and most important assignment yet, one that brings him closer than ever to getting caught. His decision will force them to face one of life's ugliest truths: You can lose your one true love as quickly and unexpectedly as you find it. When Watts discovers that the threat runs deeper and much closer to home, his passion for Catherine becomes all the more worth the fight. Their future, and his redemption, depend on it. Due to mature themes, this book is recommended for readers 18+.
