**READ-CAPTIVATING FIERY PASSION** Von midniteink **NAOMI QUINN-PLENTY OF SHIFT -BOOK 3-A** thrilling suspenseful romantic story. This story features; QUINN, a strapping confident powerful wolf-shifter, and a voice to die for; NAOMI, a sexy audacious beauty, ferret-shifter and fiction writer. What you'll find in this story; a cast of remarkably impressive and engaging characters, fantastic story-line, powerful vivid scene descriptions, phenomenal banter, gripping suspense, horrific danger, camaraderie, action, pent-up rage, emotions spiral, life-threatening incidents, earth-shattering jaw-dropping sensual romance, and a heart-warming conclusion leaving you wanting more. Miri, Naomi's best friend has started the Plenty of Shift matchmaking service and she is her first client. Naomi is a bundle of nerves as she watches the interviews through a mirror. After seeing the two shifters she picks Quinn. While listening to Quinn, Naomi learns that Quinn is wealthy and is vague about the business he is in. When the two meet sparks fly and a romance begins to flourish; but when Quinn realizes that his line of business could threaten Naomi's life he has second thoughts about having a lasting relationship with her; but knowing Quinn puts the curious ferret in horrific danger. **WOW-FANTASTIC-** fast paced well written creative read by a truly gifted author. The fusion of authenticity and fantasy make this a most impressive story. I relished this story as it had me hooked from the start. The author shows that trust and communication needs to be present to have a thriving relationship. The characters come alive with the fantastic story-line, action, vivid scene descriptions and fabulous dialogue. The romance between Quinn and Naomi is filled with fiery passion. Naomi proves to be a most valiant heroine. You will absolutely cheer and fall in love with all the characters in this book. If you treasure shifter stories with action, humor and romance that make your toes curl this is a terrific book for your library. {I received a copy of this book for a completely honest review}. In the world of shifter romance the possibilities are endless and always fascinating. Without reservations I recommend this book.

**Kurzbeschreibung** What would you do if you got to choose between two gorgeous, sexy male shifters? What if you could read about both "What If" scenarios? In the Plenty of Shift series, you can! Naomi, faced with two options, has chosen Quinn in this book: a wolf shifter who's mysterious, charming, and sexy as anything. Not to mention that he does funny things to her body without even touching her. But when their very tame first date doesn't go as planned, things only go downhill from there. Is this the end of their fledgling romance, or just a very inconvenient beginning? Grab the book to find out, and decide which fate is better for Naomi: to end up with the wolf? Or should she have chosen Tyler, the lion shifter? This is a Choose-Your-Own-Sequel Paranormal Romance series. Each book is a stand-alone, and each heroine gets to live out her story as it might occur with each of two different men. The stories are approximately 27,000 words each and contain adult situations, shifters on the prowl and the occasional (okay, frequent) dirty joke. And don't worry--there's a very good chance that all paths lead to happily ever afters.
