Von Greg Iles : Natchez Burning: A Novel (Penn Cage) before purchasing it in order to gage whether or not it would be worth my time, and all praised Natchez Burning: A Novel (Penn Cage):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Superspannend und grausamVon anteideJa, die Geschichten sind wahr und wir sollten uns immer an die schwarzen Seiten der Menschen erinnern. Greg Iles mahnt uns aber nicht, sondern schreibt spannend ber eine der dunklen Seiten der Menschen.0 von 0 Kunden fanden die folgende Rezension hilfreich. deacent readVon Alex_KSeriously? 850

pages? And it felt like so many more with all the repetitions and in the end I realized that this is the first in a trilogy. What I hadn't expected was, there is no real ending after this amount of pages. Sometimes I felt like I wanted to skip a few chapters because the paces was so slow. But then I was afraid to miss important details and kept going. I think that the story is an important one and needs to be told. But it didn't have to be this long! I chose to read this book and all opinions in this review are my own and completely unbiased. Thanks to NetGalley and HarperCollins UK! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Ein besonderes Buch Von Michael Sehr spannend, sehr interessant und meines Erachtens sehr gut recherchiert und glaubwürdig. Selten ein so packendes und mitreißendes Buch gelesen. Natchez Burning ist der 4. Teil der Penn Cage-Serie und wird nahtlos in The Bone Tree fortgesetzt. In diesem Fall ist also die richtige Reihenfolge sehr wichtig.

Kurzbeschreibung From #1 New York Times bestselling author Greg Iles comes the first novel in his Natchez Burning trilogy which also includes The Bone Tree and the upcoming Mississippi Blood an epic trilogy that interweaves crimes, lies, and secrets past and present in a mesmerizing thriller featuring Southern lawyer and former prosecutor Penn Cage. Raised in the southern splendor of Natchez, Mississippi, Penn Cage learned all he knows of duty from his father, Dr. Tom Cage. But now the beloved family doctor has been accused of murdering the African American nurse with whom he worked in the dark days of the 1960s. Once a crusading prosecutor, Penn is determined to save his father, but Tom, stubbornly invoking doctor-patient privilege, refuses even to speak in his own defense. Penn's quest for the truth sends him deep into his father's past, where a sexually charged secret lies. More chilling, this long-buried sin is only one thread in a conspiracy of greed and murder involving the vicious Double Eagles, an offshoot of the KKK controlled by some of the most powerful men in the state. Aided by a dedicated reporter privy to Natchez's oldest secrets and by his fiancée, Caitlin Masters, Penn uncovers a trail of corruption and brutality that places his family squarely in the Double Eagles' crosshairs. With every step costing blood and faith, Penn is forced to confront the most wrenching dilemma of his life: Does a man of honor choose his father or the truth? **Pressestimmen** A whopping tale, filled with enough cliff-hanging crises for an old summer-long movie-serial. Yet there are still enough unresolved matters at the end of Natchez Burning for two already-promised sequels. (Wall Street Journal) Every single page of Natchez Burning is a cliffhanger that will keep you devouring just one more chapter before you put it down. (Jodi Picoult, New York Times bestselling author of The Storyteller) Natchez Burning is just flat-out terrific . . . its themes about race, violence, tradition, and the eternal smoldering anger of the South [bring] to mind Thomas Wolfe and William Faulkner . . . Greg Iles is back and truly better than ever. (Scott Turow, #1 New York Times bestselling author) Natchez Burning is extraordinarily entertaining and fiendishly suspenseful. I defy you to start it and find a way to put it down . . . This is an amazing work of popular fiction. (Stephen King) A searing tale of racial hatreds and redemption in the modern South, courtesy of Southern storyteller extraordinaire Iles. . . . A memorable, harrowing tale. (Kirkus starred review) An absorbing and electrifying tale that thriller fans will be sure to devour. (Library Journal starred review) Much more than a thriller, Iles deftly plotted fourth Penn Cage novel doesn't flag for a moment . . . This superlative novel's main strength comes from the leads' struggle to balance family and honor. (Publishers Weekly starred review) It's been half a decade since Iles last Penn Cage novel, but, oh boy, was it worth the wait! . . . This beautifully written novel represents some of the author's finest work, with sharper characterizations and a story of especially deep emotional resonance, and we eagerly await volume two. (Booklist starred review) Natchez Burning excels as a contemporary thriller . . . utterly and chillingly believable. Epic. (Clarion-Ledger (Jackson, MS)) Natchez Burning obliterates the artificial distinction between genre and literary fiction with passion, grace and considerable style. This is Greg Iles at his formidable best. It's good to have him back. (Washington Post) The thriller of the year, of the decade even, is Natchez Burning... The first of a projected trilogy, Natchez Burning is Penn Cage's fourth outing. But you don't need to read its predecessors to be wholly consumed by this wonderful book. Buy, read, and marvel. (The Times (London)) **Kurzbeschreibung** From #1 New York Times bestselling author Greg Iles comes the first novel in his Natchez Burning trilogy which also includes The Bone Tree and the upcoming Mississippi Blood an epic trilogy that interweaves crimes, lies, and secrets past and present in a mesmerizing thriller featuring Southern lawyer and former prosecutor Penn Cage.
