**Von Jill Shalvis : Naughty, But Nice (Mills Boon Blaze)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Naughty, But Nice (Mills Boon Blaze):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. lingerie model meets studly cop!Von Ein KundeCassie unwillingly comes back to her hometown to do her mother a favor. Her attitude along with her fast yellow car ensures that she meets Tag, the current town sheriff. Crazy things start happening like opening a ladies' erotic shop, a New York stalker comes to town, and a whole lot of spicy sex scenes. It's not the most realistic book in the world and the "relationship" conflict isn't that believable but hey it is entertainment, right? NATURALLY NAUGHTY features Cassie's cousin (also owner of the erotic shop) and HER trip

to Pleasantville and what's in store for her.

**Kurzbeschreibung** Cassie Tremaine Montgomery: The stunning lingerie model with a tough-as-nails attitude and a sheriff in her sights. Sean "Tag" Taggart: The sexy-as-sin sheriff who is more than willing to play Cassie's game his way. Cassie intends to use all the seductive powers she has to entice Tag as part of her revenge on her hometown. Tag, however, isn't cooperating. He's more than willing to set the sheets on fire with her, but he's asking for more than just sizzling sex. He knows she's not as tough as she pretends. And he knows she cares about him even if she won't admit it. That's fine. He'll just turn up the heat until she concedes there's more between them than this red-hot passion.
