I can't stop reading and think about Robbins' lesbian short stories. They are so intense and passionate. The author's writing style is very elegant. Plots are great. And Ellis... oh... I'm in love with her! This prequel is amazing. I read the first short stories and I was wondering how everything started. And here she comes! It's like if Robbins read my mind. And now... I'm waiting again for the next one.0 von 0 Kunden fanden die folgende Rezension hilfreich. Sizzling ProseVon Big ApplePhew! This was a hot one! I love this author's style of writing. This a tough genre to get right tone-wise and T. E. Robbins manages to make the story gripping as a narrative - in addition to being incredibly erotic. The characterization is smart and overall this is a slick, highly readable piece. Recommended.
