Von Lora Leigh : Nauti Dreams before purchasing it in order to gage whether or not it would be worth my time, and all praised Nauti Dreams:

KundenrezensionenHilfreichste Kundenrezensionen6 von 6 Kunden fanden die folgende Rezension hilfreich. You have to love this "Nauti boy"Von Katzenjammer123So hot and so good - that's my short review.Now the detailed one.

"Nauti dreams" is number three in the "Nauti" series by Lora Leigh (love her) and like her other books it's pretty graphic about sexual details, so if you have trouble with reading things like that this book is not for you. But if you like all the glory details like I do this book is just right for you. Ok, it's all about Natches, the baddest and darkest of the boys, and Agent Greta/Chaya Dane who we know from "Nauti Nights". What nobody knows is that Natches and Chaya actually met some years ago in Iraq where Greta lost her daughter and nearly her life but Natches managed to save her. Chaya wants nothing more than to forget meeting Natches because he doesn't give her a chance because meeting her changed his life. Because nobody knows about their past the boys, especially Dawg, don't understand the relationship between Natches and Chaya and actually dislike her. In the present Chaya is back in Somerset because of orders from Cranston in order to finally solve the mystery of the local terror group that we already heard about in book 2. Unfortunately the head of the group is closer to Natches as he would like to, so there's no way Chaya can avoid getting in close contact to Natches and beginning to trust her feelings for him and accept that life handed her a second chance to be happy. Natches was a major surprise for me because what I thought of him after the first two books was absolutely not true and he is so much more than he seemed to be. You just have to love him and right know he is my favourite Nauti boy. Caring, loyal, sexy as hell and willing to do everything for the people he loves - you have to adore him. The end of the book is a major highlight - all I'm saying is that I love to see strong men weak in certain situations. So all in all I loved this book and can't wait for "Nauti Intentions" coming out next year with the focus on Alex and Janey. Enjoy. S.M.

Kurzbeschreibung Natches Mackay separated himself from his family years ago, except for the two cousins who became the only family he knows. Now, he's being dragged back into his father's life in a way that could destroy him and the only woman he's ever felt a spark for. Pressestimmen
When I am in the mood for steamy romance, I read Lora Leigh. Angela Knight a sensual roller coaster. "Love Romances" a scorcher. "A Romance" a perfect blend of sexual tension and suspense. "Sensual Romance" a hot sex, snappy dialogue, and kick-butt action. "Romantic Times" (Top Pick)
