Von Nicole Williams : Near Far (Lost Found Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Near Far (Lost Found Book 2) (English Edition):

Of course this means obstacles and difficulties for the young couple. There was a lot of trepidation and anxiety but it was downright annoying for me to read about Jolene and Jax. I was almost certain of the outcome of those two characters within the story. Little did I

know... And Mar? I couldn't get Rowen's "relationship" with her at first, so everything about Mar was just disturbing. But it got better! And Garth made up for it all. Yes, Garth Black! Who would've thought...I think it was just strange, that Rowen left her past (from "Lost Found") behind almost completely. As far as I remember, there was not a single word about her mother in this book. But at least the author didn't make Rowen overcome all of her insecurities within one page. And altogether she was a believable and likeable heroine who deserved the good things coming into her life. As I am a big fan of Jesse it was good to get a lot of his story, his past before he came to live with the Walkers and his present feelings and thoughts. He is just gorgeous. In the end I liked "Near Far" and I am happy that I got through all the angst for Rowen and Jesse. And I think I will also read Garth's story, which is the next book in this series. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Schnur 2. Teil der Reihe Von Kayla C Black Normalerweise mag ich keine Bücher über Cowboys, aber JESSE WALKER ist eine Ausnahme. Dies ist das 2. Buch in der Serie und Rowen und Jesse stehen vor der Herausforderung "Fernbeziehung". Es gibt ein paar sexy Momente, ein paar Missverständnisse und traurige Stellen, aber wir lernen in diesem Buch auch GARTH BLACK (der im 1. Buch eigentlich noch ein totaler A**** war) besser kennen und lieben. Kann es jetzt nicht abwarten auch sein Buch zu lesen :)

Kurzbeschreibung**NEW YORK TIMES and USATODAY Bestselling Series**Theres optimistic. And theres Jesse Walker. If he wasnt so charming, his sunny disposition and incessant grin would get old. Fast. Falling in love with the broken girl who had at first seemed immune to anything resembling love was the best thing to happen to Jesse since the Walkers adopted him when he was five. As Jesses life continues at the ranch and Rowen begins making her mark in the Seattle art community, they wonder where the middle ground is. Or if there even is one. As push comes to shove, theyre forced to make choices neither are eager to make, and Jesse and Rowen have to face what their lives might look like without the other. Can two people with such tragic pasts and different presents expect a promising future together? Whatever the answer, theyll need a lot more than love to make it.*Recommended for mature readers due to moderate content and language.*FINDERS KEEPERS, book 3 in the LOST FOUND series is releasing September 16th, 2013!
