Von John Ringo : To Sail a Darkling Sea (Black Tide Rising Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised To Sail a Darkling Sea (Black Tide Rising Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Still goodVon A.F.H. TintenkriegerThe second part seamlessly goes on where the first part stops ... but not in a good way. Instead of going the way and solving at least part of the mystery of the Z-Day, the readers are the audience to a C-rated

Zombie Fest movie. Including playlist, so any potential movie director doesn't have to think about it. And that says it all. Instead of writing a good book, this reads a lot like the script for a movie. And it might make a C-Movie Zombie fest film after all. Since it lacks any intelligent storyline it will never be regarded as a good one though. The second part is enjoyable only due to the fact that the reader doesn't know that the third one will be just a copy of this one with slightly different characters and land-action instead of sea-action. One tip for Mr. Ringo: Heroines are way more believable if they aren't Super Heroines. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Awesome, part 2 Von Barkeeper At loss for words after having rated parts 1 and 3 already. Buy it if you have read part 1. Buy both if you have none yet. And I am very hard to please, even by John Ringo who is my top favorite writer. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Sehr Gut! Von Komiker Teil zwei von der Zombie Apocalypse-Reihe von John Ringo. Gut geschrieben, viel Aktion, ein-zwei Cliffhanger in Erwartung auf Buch 3. Jeder Ringo-Fan wird Spa mit diesem Buch haben!

Kurzbeschreibung A World Cloaked in Darkness With human civilization annihilated by a biological zombie plague, a ragtag fleet of yachts and freighters known as Wolf Squadron scours the Atlantic, searching for survivors. Within every abandoned liner and carrier lurks a potential horde, safety can never be taken for granted, and death and turning into one of the enemy is only a moment away. The Candle Flickers Yet every ship and town holds the flickering hope of survivors. One and two from lifeboats, a dozen from a fishing village, a few hundred wrenched by fury and fire from a ship that once housed thousands... Light a Flame Now Wolf Squadron must take on another massive challenge: clear the assault carrier USS Iwo Jima of infected before the trapped Marines and sailors succumb to starvation. If Wolf Squadron can accomplish that task, an even tougher trial awaits: an apocalyptic battle to win a new dawn for humanity. The war for civilization begins as the boats of the Wolf Squadron become a beacon of hope on a Darkling Sea. At the publisher's request, this title is sold without DRM (Digital Rights Management).
