Von Gordon Neale : To Serve Two Masters (Idol) before purchasing it in order to gage whether or not it would be worth my time, and all praised To Serve Two Masters (Idol):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. To Serve Two mastersVon Sebastian SandysIt is always revealing to review erotica as the comments give away as least as much about the reader as the book, however the chance to recommend this book should not be passed over.As an exploration of the gay male fantasies about slavery this book is second to none that I have read. Unusually for this kind of writing the characterisation is plausible and detailed. The device of the two brothers to explore different sides of the psyche that is drawn to sm sex works well and the main character Rock contains many of the elements that will be familiar to gay men who have an interest in slavery and sm sex , whether that interest is purely fantasy or not.Aside from all that, the sex bits of the book are great and will prove 'stimulating' to a wide range gay men. They are well written and erotic

and do not fall into any of the crass, cliched traps that so much 'homoerotic writing' falls into. Gordon Neale is a master (pardon the pun) of his craft and I cannot recommend this book too highly. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Excellent homoerotic novel of slavery! Von Ein Kunde If you liked the Tristan and Laurent scenes in the _Sleeping Beauty_ novels by Anne Rice, you'll like this even better - there's none of the philosophizing and the author gets down to brass tacks immediately. In the imaginary country of Ilyria, the slave Rock is sold to two young brothers, Dorian, a gentle youth, and Carlos, his cruel older sibling. But who is really the slave and who is really the master? Probably the best novel of its type I have ever read. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Near Rice's Quality Von Ein Kunde I got this book as I have an interest in this topic. I have read Anne Rice's Sleeping Beauty series, and do consider this almost up to her standards. The character developments were just fine, the story line was excellent, and I could almost hear the screams, the passions, the pleasures, and be in the scene. It is terrific.

Kurzbeschreibung Market day is a special time on the island of Ilyria. The goods to be sold are men, men who have learnt to accept their lives of slavery. Rock is one of these captive 'livestock', his only hope being that the beautiful young stranger, Dorian, will be the one who buys him. Even if he is lucky, Rock knows his life will not be easy. Dorian's adoptive brother, Carlos, is as cruel as he is handsome and Rock understands that, should he be bought by one, he will be owned by both. Fine homoerotic fiction with lashings of SM! Pressestimmen 'Breathless writing' Time Out; 'More sophisticated than the usual one-hand jobs which have traditionally dominated the shelves of bookstores'. Independent on Sunday Kurzbeschreibung Market day is a special time on the island of Ilyria. The goods to be sold are men, men who have learnt to accept their lives of slavery. Rock is one of these captive 'livestock', his only hope being that the beautiful young stranger, Dorian, will be the one who buys him. Even if he is lucky, Rock knows his life will not be easy. Dorian's adoptive brother, Carlos, is as cruel as he is handsome and Rock understands that, should he be bought by one, he will be owned by both. Fine homoerotic fiction with lashings of SM!
