Von Louis L'Amour : To Tame a Land before purchasing it in order to gage whether or not it would be worth my time, and all praised To Tame a Land:

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. From Boyhood to Manhood....A tale of revenge and romanceVon Ein KundeRyan Tyler was a boy when his father got killed

by marauding indians and was then left alone, without a father or family. In steps Logan Pollard, a loner and a drifter without ties to anyone or anybody. The moment they meet their lives change forever. To Tame a Land has got to be one of the best books L'Amour wrote. The plot is tight and fast moving and the chapters are woven seamlessly together. The characters are diverse and complicated, while Ryan Tyler's character is tough, hard, and sad all at once. If you are a person who loves action and adventure, then pick this one up. As soon as you open the book, you will be transported to a time where a romance was pure and danger was real. A time when good prevailed against evil and your friends are what stood between you and death. If you have nothing to do on a weekend, or are longing to be transported from the day to day grind of life in the new millenium, then pick this one up amigo, you will not regret the time spent reading this book. So, cinch up your saddle and reload your pistol because you are on your way to a fast paced ride through the west.1 von 1 Kunden fanden die folgende Rezension hilfreich. Favorite LouisVon E. A. BeckWhen I was just a little boy... My cousin gave me a box set of five Louis L'Amour books and To Tame a Land was the first one I read. It was also the first book I remember reading that was not written for children and it hooked me. Completely.An epic story with a moral but deadly hero, To Tame a Land tells the story of a boy orphaned on a wagon train headed west. With natural skill and the luck of Raggedy Andy he grows into a gunfighter as fast as John Wesley Hardin, a bronc buster, a gold miner, a card sharp and a cattle driver. The story starts with a sad little boy and ends with man fighting for the woman he loves. Corny Cliches - sure - but this book captures the language and feel of the old west. Scratch that - it DEFINES the old west as we all know it. I re-read the book recently and twenty years later it still works (although it seemed awfully short the second time around...).1 von 1 Kunden fanden die folgende Rezension hilfreich. To Tame A LandVon MandyThis book had one of the best plots of any Louis L'Amour books you'll ever read. Louis L'Amour does a graet job of getting the readers attention and keeping it throughout the book. The author discribes the setting so well, it feels like you are there. My only dislike of this book would be that the author skips around from subject to subject, but it did make the story make sence. I think anyone with a sense of adventure or anyone that likes western books would like this book.

KurzbeschreibungRye Tyler was twelve when his father was killed in an Indian raid. Taken in by a mysterious stranger with a taste for books and an instinct for survival, Rye is schooled in the hard lessons of life in the West. But after killing a man, he is forced to leave his new home. He rides lonely mountain passes and works on dusty cattle drives until he finds a job breaking horses. Then he meets Liza Hetrick, and in her eyes he sees his future. After establishing himself as marshal of Alta, he returns, only to discover that Liza has been kidnapped. Tracking her to Robbers Roost, Rye is forced to face the man who taught him all he knows about books, guns, and friendship. Two old friendsone woman: Who will walk away?From the Paperback edition.KurzbeschreibungRye Tyler was twelve when his father was killed in an Indian raid. Taken in by a mysterious stranger with a taste for books and an instinct for survival, Rye is schooled in the hard lessons of life in the West.
