KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. entweder man mag es oder nicht... Von Familienmanagerinso erscheint es zumindest, wenn man die Rezensionen so durchliest.Fakt ist, dass es eine eher ungewöhnliche Zusammenstellung ist und einige Ecken und Kanten hat - aber hey, auch das echte Leben hat Ecken und Kanten, oder ? Was ich bis jetzt nicht entdecken konnte, war ein zweites Buch dieser Serie ?! - Auch wenn dieses Buch eine abgeschlossene Handlung hat, und gut als Stand-alone gelesen werden kann, sind doch noch genug Handlungsstränge, um ein dynastisches Werk daraus zu machen oder die anderen Welten mit ins Spiel zu bringen etc...Eine Fortsetzung würde ich gerne lesen !0 von 0 Kunden fanden die folgende Rezension hilfreich. BeautifulVon starbooksIHThe story is described well enough in the summary. What I liked is the depth of Dragomir's character, he is the gentle giant to die for. Victory starts as a traumatized victim but soon shows spirit and the verbal sparring of our interesting protagonists is highly amusing.I have been entertained very well, could hardly part with the book when had to go to work. I so wanted to know what happens next. Thank you, Sara.

KurzbeschreibungTO THE PRINCESS BOUND:A haunted princess chained to a terrifyingly powerful slave, a free man taken from his home and forced into servitude to save herSix years ago, Victory's mind and body were brutally shattered by those she trusted. The betrayal has left her with a closed and tortured heart and an innate fear of the men around her. Her father, a cold, compassionless emperor who rules Victory's life the same way he has ruled Mercy, has an inhuman solution: Chain her to a massive native man from the war-torn planet that kidnapped her to prove to her there's nothing to fear. Yet when the huge and gentle native shows himself to be something more than anyone expects, will Victory open her heart and allow this handsome and powerful healer to help her flower, or will she turn him over to the Imperium that hunts him?Bound to an Imperial princess, their bodies lashed together by a cruel decree, Dragomir is tired of helplessly watching Victory's past overtake her. He has the power to fix her, and if she doesn't like it, she can kill him after he is finished. He is a healerhe will mend her broken spirit, or die trying. Yet, in healing her, he must reveal his secret to her, and in doing so, Dragomir must also trust her with his life, for those with his special talents are feared and hunted by the Imperium. What Dragomir doesn't foresee at the outset is his own passion: She's his soul-mate, their lives entwined throughout the ages, and her mere presence sparks a fire within him that he's tried for years to ignore. He finds himself fighting his body's deepest urges every time he looks upon her graceful form, struggling for the control she needs of him, warring with inner desires and an ancient need that could make her abandon him foreverEXCERPT: Trust me, Victory, Dragomir said softly. There's something between us He swallowed and glanced at his hands, where they touched hers. Wereconnectedin a way that most people could only dream. ABOUT THE AUTHOR (a.k.a. Join My Alaskan Army) Email me. No, seriously, email me. kingnovel@gmail.com. Go do it. Right now. I love keeping my ear to the very heart of the publishing industry which means I have to talk to you. I think entertaining and inspiring others is the most important thing about writing, and if I'm doing my job right, people will actually want to tell me what they think. So, dammit, if you were entertained or inspired, I wanna hear from you. I'm utterly freakin' serious. In case you're still not convinced, consider this: I'm a lifelong Alaskan. We do things differently here. With the roving grizzly bears (yes, I live in the Bush, not like those pussies in town) and my closest neighbor a mile away, it gets kinda lonely when it's just me and my computer and a big, vast wilderness out my back door. I want to talk to the people who are reading my books, because who the hell else am I going to talk to?! In case you're concerned about writing to a complete stranger, I assure you I'm totally approachable, in my random, quirky, too-much-time-without-sun kind of way. I've spent my entire life (starting at three years old!) working on writing as an art form, and I've poured my heart and soul into the twenty (ish) books I've written, so you can be damn sure I want feedback. I mean, putting together these (utterly brilliant, totally awesome) masterpieces and then getting nothing but silence is like building the Eiffel Tower and having people gomeh. So shoot me an email at kingnovel@gmail.com and let me know your thoughts on the book! I respond to every email I get (though sometimes it takes longer than others). Oh, and friend me on Facebook at <https://www.facebook.com/kingfiction> (authors need friends, too) and check my Author Page <https://www.facebook.com/sknovel> for the latest writerly news and updates. Or, even better, hop on over to and check out my other character-driven series, like Outer Bounds: <http://www.com/dp/B00IO7QAGO/> or Millennium Potion: <http://www.com/dp/B007W6RBSE/> or, heck, even my Alaskan Paranormal/Fantasy series Guardians of the First Realm: <http://www.com/dp/B0073WZ01C/> to see some of my other compelling characters in action!
