Loved itVon LoveToReadTo The Sea: A Stewardess is the second book in the Stewardess series by Roxy Jewell. Loved it! This second contemporary book delved deeper into the well-written character's lives. It's got mystery, travel, romance, plenty of steamy passion between Giovanni and Lena, and I couldn't wait to get to the startling end! I'm not one to give out spoilers, so will end with I give this book high marks and highly recommend!! I am looking forward to reading the third book.0 von 0 Kunden fanden die folgende Rezension hilfreich. A Sky High Romance!Von 1DreamReaderCome Fly wit Me, takes on a whole new meaning inthis is the second book in the Roxy Jewel Stewardess series and it seems to be more amped up than the first one. Just what the doctor ordered for a bored housewife looking for a great weekend read. I was entertained by this wonderful action romance. Lena, our naked stewardess is a heroine but must face some tough decisions in this one with regards to life choices. No skimping on the surprises here.0 von 0 Kunden fanden die folgende Rezension hilfreich.
