Oh Terra, Terra, Terra, oh my!Von Anna SalamatinIn this installment we are back with old friends and we meet some new ones as we continue on with Lanni Heegan, Mithrin Saylor, Fallon Heegan, and Fyris Taraxus as they return to the human world to find out what in all the Hells the bastard of a Unicorn was up to now.....Find Golix and put a stop to

whatever evil he had in store for humanity. They returned to the sand hill that Lanni and her twin sister Terra slid down entering this world from the portal home. Terra the newly crowned Queen is there to see them off as Lanni turned to wave one more time to her sister from the ledge, only Terra and Enon, the cavern's Dragon Guardian, were no longer alone, but surrounded by three Unicorns who as a group, their horns brightened to a blinding pulse of red and loose a volley of power that knocked Terra clean off her feet. and then turned to do the same to the group up on the ledge who made it into the tunnel seconds before the roof caved in around them.....And this is only the beginning, or should I say the end of the beginning, but for who? Is Terra buried in the cave in? Who will get to her first? I have to tell you right here that you are never going to believe what is coming but I promise it's above and beyond anything Margaret Taylor has dropped on us so far! The action never stops. I had to stop reading from time to time just to wrap my head around it all and all the possibilities from so many different directions. This one is truly mind boggling! And yep, there is a cliffhanger that left me speechless! I hope you have been following this remarkable saga, it's your only hope of surviving this one!

Kurzbeschreibung How far would you go to win against a force so evil they always seem one step ahead? How much would you risk to do the right thing? Would you join forces with evil, knowing it was the only way to save the one's you love? Join our Heroes and Heroines as they continue to Journey through The Five Kingdoms and are asked those very same questions. Will our stalwart Champions be able to finally defeat Golix and The Herd, or will Fate decide who lives and who dies. Find out if Lanni, Mithrin, Terra, Phara, Tian and a host of new characters, have what it takes To Win The Guarded Heart...
