KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. 3,5 SterneVon LenaRibkaThis was a fun, sexy, romantic suspense read at the beginning, though the story got a bit boring after Mia and Cameron hooked up and the sexual tension was gone for the most part.I didn't realize it was part of a series until the end, but it worked fine as a standalone.It was an enjoyable read, but I don't want to read more in this

Will now start with book 1.4 von 6 Kunden fanden die folgende Rezension hilfreich. Mia's StoryVon Ein KundeFor everyone who's been following the Wilde stories of Ms. Denison, this is a must read. Finally, the story of Mia Wilde and her brother's company partner and friend, private investigator Cameron Sinclair.Mia, always true to her last name, smart-mouthed and sexy, has been driving Cameron crazy for years. All of a sudden she's all grown up and irresistible and yet the complete opposite of what he wanted in a woman for life. Sizzling story, though not as hot as other Wilde stories hence the four stars instead of five. Enjoyable read!
