KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. The man is back! Von Komiker Ich, wie viele andere Leser, war von den letzten Bchern von W.E.B. Griffin ziemlich enttuscht! Mit Top secret war ich überhaupt nicht enttuscht. Das Buch ist im Grunde eine Fortsetzung der "Honour Bound"-Reihe mit dem Fokus auf einen neuen Hauptdarsteller und ist ganz angenehm zu lesen. Das einzige, was man am Griffin vorwerfen kann, ist dass das Ende zu abrupt kommt. Man merkt, wo er hin will, man ahnt, was passieren knnte und auf einmal, Ende, wobei ich mir da noch mehr htte wnschen knnen. Hat mir jedoch sehr gut gefallen! Gebe das Buch daher 5 Sterne!

Kurzbeschreibung From the #1 New York Times bestselling author, a brand-new series about the Cold War and a different breed of warrior. In the first weeks after World War II, a squeaky-clean new second lieutenant named James D. Cronley Jr. is spotted and recruited for a new enterprise that will eventually be transformed into something called the CIA. One war may have ended, but another one has already begun, against an enemy that is bigger, smarter, and more vicious: the Soviet Union. The Soviets have hit the ground running, and Cronleys job is to help frustrate them, harass them, and spy on them any way he can. His recruiter thinks he has the potential to become an asset though, of course, he could also screw up spectacularly. And in his first assignment, it looks like thats exactly what might happen. Hes got seven days to extract a vital piece of information from a Soviet agent, but Cronleys managed to rile up his superior officers (he seems to have a talent for it), and if he fails, it could be one of the shortest intelligence careers in history. There are enemies everywhere and, as Cronley is about to find out, some of them even wear the same uniform he does. Pressestimmen Praise for TOP SECRET A thrilling new series entitled Clandestine Operations has begun, opening doors into special ops, investigating the path to the Cold War, and unveiling clandestine connections between Argentina and Germany during WWII. . . . This incredible mix of intrigue, diplomacy and, of course, a bit of romance, is fantastic. The reader will note the horror of the war, along with the massive role intelligence agents played in the eventual victory. In other words, when this story from a literary team that ignites suspense lovers everywhere comes to a close, readers will be panting for the next novel. Suspense Magazine Praise for W. E. B. Griffin A writer of true virtuosity and talent. Like precious few others in the book marketplace, W. E. B. Griffin delivers as advertised.
