Von Lin Anderson : Torch (Rhona Macleod Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Torch (Rhona Macleod Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Ian Rankin watch out!Von AmberThis was just as good as the first book in the series 'Driftnet'. This time the story is based some arson attacks which seemed to be linked that are taking place in Glasgow and Edinburgh. We meet some new characters and also see a development in the main character's life.I won't say anything else in fear of giving the

game away but Ian Rankin should watch out because this Scottish mystery writer is just as good as he is!

KurzbeschreibungIt's Edinburgh, Scotland, days before the biggest New Year Party in the world. When Karen, a young homeless girl dies in a string of arson attacks, her friend Jaz rescues her dog Emperor, and sets out to avenge her death. When Dr Rhona MacLeod arrives to conduct the forensic investigation into the murder and fire, she is faced with Italian-Scot Severino MacRae, Chief Fire Investigator, and hot-tempered misogynist. Forced to work together in a desperate attempt to locate the arsonist before his threatened strike at Hogmanay, they realise that their every move is being followed, but by whom?PressestimmenLin Anderson is one of Scotland's national treasures - don't be fooled by comparisons, her writing is unique, bringing warmth and depth to even the seediest parts of Glasgow. Lin's Rhona MacLeod is a complex and compelling heroine who just gets better with every outing. (Stuart MacBride, author of Cold Granite)[a] sexy new rival for old Rebus . . . (The Scotsman)WerbetextThe second novel featuring Rhona Macleod - a 'sexy new rival for old Rebus.' (The Scotsman)
