Wonderful! Von J.I. A funny, gripping story about a once in a lifetime experience in the Okavango Delta that inspires wanderlust. I couldn't put this book down! 0 von 0 Kunden fanden die folgende Rezension hilfreich. The first 30% couldn't keep me interested enough... Von Hhnersuppe... to read the rest. It was just too much gossiping about the owners and the management of the place and guests opinions on the topic - altogether a too negative atmosphere for me to keep reading. I might have missed out on the interesting parts and maybe the writers only got themselves lost in things that are irrelevant for the reader in the first bit... well, I will never know. Found it a bit confusing too the way the story was written - parts by him and parts by her, inconsistent for the reader to follow. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Bush beating... Von Southbound Experience Absolutely stunning reading.... took me back right there with them in the Okavango... Thank you for sharing this year in your life's!!!

Kurzbeschreibung Winner of the 2016 eBook Festival of Words Best Non-Fiction Award. What could possibly go wrong in paradise? Tired of mortgage and car payments, thirty-something Andrew and Gwynn sold nearly everything they owned but their Siamese cat and escaped their humdrum nine-to-five existence for life in paradise a tiny island accessible only by boat or air in one of the remotest spots on Earth: the Okavango Delta in Botswana. Woefully inexperienced, they took control of a luxury game lodge where the rich and famous went to sip GTs with lions and elephants. Trouble soon followed. Their lives were threatened daily by snakes, elephants, baboons, and a hyena with a plastic fetish. Not to mention the endless and often insurmountable challenge of keeping their five-star guests fed in a world where the closest supermarket was an air flight away. Amongst others, their guests included a famous Hollywood director, some French aristocrats, a Mafia lawyer, world-famous singers, and the England cricket captain. Light-hearted and humorous, this adventure peppered with some drama and suspense will enthrall you with its unique look at life as game lodge managers in wild Africa.
