A new view at the vampire and werewolf themeVon GreystarErin is a high-trained nurse who discovers parts of a gruesome secret about her boss. So she tries to run - and runs into Jared. Actually she finds him naked and hurt on the hood of

her car. Before she even gets a chance to think, her former boss' pursuers are after her, as well as some strange other folks. And to make it even more starteling for her, Jared seems to be mentally unstable. Or why is he taking about spirits and about her blood. Still running, helping each other, it slowly dawns on her, that he might not only be right about a spirit world, but that her enemies are also his enemies. They have to trust each other to make it through. But her handsome stranger has more secrets than she might be able to shoulder.*** A very intriguing new aspect in the werewolf universe, as well as a new definition to the vampires. Ms St. Giles approach to the whole legend is refreshingly new, therefore it takes some time to understand the universe she creates. But once in it, you don't want to leave, really. It's full of heroes, a fight good agains evel and there is so much ground work of the spirit realm done, it calls for follow-ups - there are several characters to start with. Also, we have a fine love story, some hot moments and quite some fun. Absolutely worth reading!

KurzbeschreibungJennifer St. Giles begins a dazzling new series that takes you into a world of seductive shape shifters and mystical beings, and into the hearts of a band of heroic warriors known as The Shadowmen. . . . Yesterday, Erin Morgan worked for a pioneering Manhattan medical center. Today, she's on the run, witness to a chilling conspiracy. Fleeing for her life in the Tennessee mountains, she is run off the road by a mysterious beast . . . and things only get stranger when she wakes the next day to find a naked Adonis sprawled on the hood of her car. For centuries, Jared has been a shape shifter, sworn to protect mortals like Erin. But in saving her, Jared has damned himself, for the poison from his battle wound stirs a terrible blood lust. Determined to protect Erin, Jared stays by her side and discovers a sensual rapture beyond imagining . . . and a love that can change his fate. But can Jared overcome his savage thirst and protect Erin from the beast within?Pressestimmen"Riveting . . . sexually charged." -- Romantic Times Book Club"Ripples with tension . . . an engrossing read." -- Publishers WeeklyKurzbeschreibungJennifer St. Giles begins a dazzling new series that takes you into a world of seductive shape shifters and mystical beings, and into the hearts of a band of heroic warriors known as The Shadowmen. . . .
