Von Jennifer Snyder : Touch (A Reaper Novella Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Touch (A Reaper Novella Book 1) (English Edition):

Kurzbeschreibung Seventeen-year-old Rowan Harper knows her life is forever changed the moment her schizophrenic mother commits suicide. What Rowan doesnt realize is how much her mothers choice altered her own fate. Its not until after meeting Jet, a sapphire-eyed dead boy, Rowan begins to learn of her new destiny as becoming her mothers replacement for something she never knew existed. Plus a bonus short story-Choice- told from Jets perspective! People often say everything happens for a reason. Seventeen-year-old Jet Donovan Mathews is about to find out that statement is not always true. Jet will learn that sometimes there are moments which were never meant to occur, moments where you are left with a choice.
