Excellent story using the tarot. Von Ein Kunde I loved reading this story. A great witch/tarot romance

Kurzbeschreibung All witch Shana Morland wants is to find a mortal mate so she can escape the confines of her coven, Sanctuary, and see the world. Unfortunately, her race is on the edge of extinction, and as a witch, she's too important a commodity. She isn't allowed to leave coven grounds to search for a mate, and the chances of a mortal coming to Sanctuary and falling in love with her are slim to none. Desperately lonely, Shana decides to consult the forbidden enchanted Tarot deck to determine if she will eventually find a mate. The Tarot deck is cursed, but the curse only applies to someone in love. Since she isn't in love, what could possibly happen? The moment she retrieves the deck, she knows she's made a horrendous mistake. Moira, the most powerful witch who'd ever lived and the creator of the enchanted Tarot, escapes from the spirit-world, drops The Fool card in front of Shana, steals the remaining cards, and disappears. Shana soon discovers that you should be careful what you wish for as Moira plays a deadly game of Tarot that introduces Shana to Ryan Alden, the mortal meant to be her mate if she can keep him from killing her and losing his soul to Moira.

Synopsis Ryan Alden, a handsome stranger, roared out of the unknown into Shana Morland's life on a Harley-Davidson motorcycle. Was he the reckless drifter he seemed? Was he the dedicated doctor he claimed once to have been? Or was he a demon of desire from a past he did not remember?
