I love discovering fantastic new authors,Von Holly Fuhrmann (hfur@aol.com)which is just what I've done when I pulled Gwyneth Atlee's Touched by Fire off the shelf. Hannah Shelton leaves Pennsylvania, ready to put her past behind her and start a new life . . . with John Aldman, the man who wants her as his mail-order bride. But, it's not John who excites her senses, it's his brother Daniel. When the trouble that chased her from Pennsylvania follows her to Wisconsin, it's Daniel who stands by her and fills the heart she thought was hardened beyond repair. Hannah is a strong historical woman who takes her destiny in her own hands. She accepts her mistakes and allows herself to move past them. Daniel does play her hero and rescue her, but it's his love that truly proves to be her salvation.0 von 0

Kunden fanden die folgende Rezension hilfreich. An incredible debut novel! Von Sharon Galligar Chance Debut author Gwyneth Atlee has set her new novel, "Touched By Fire," around the actual historic and tragic 1871 firestorm, which destroyed the town of Peshtigo, Wisconsin. Researching the era carefully and employing its dramatic backdrop as the premise of her story, Atlee has skillfully crafted her characters and developed the plot into an exciting, thoroughly unforgettable tale. But don't think for a second that this is a story of doom and gloom. There are lessons of trust, hope, and love abounding among these pages. Gwyneth Atlee has truly lit the flames of romance in "Touched By Fire," and hopefully they will burn for a long time to come. 0 von 0 Kunden fanden die folgende Rezension hilfreich. TOUCHED BY FIRE has emotional depth vivid scenes Von Ein Kunde "With a deft touch, and a psychic sense of emotional depth, Gwyneth's book leads you into the life and trials of an exceptionally brave and generous woman you will love and root for until the very last page. I was so immersed in what became a real life and real struggles, I didn't want this book to end. It has intensely vivid, memorable scenes that they stayed with me like visions. Treat yourself to a very enjoyable read with Gwyneth Atlee's historical, 'Touched By Fire.' You won't regret it."

Kurzbeschreibung TAINTED BY SCANDAL Divorced, disgraced, robbed of her legacy and her pride, a desperate Hannah Shelton stages her own death and leaves the Pennsylvania home town that scorns her. Passing herself off as an innocent mail-order bride, she arrives in Wisconsin to meet her future husband--never anticipating the flames of passion that will sear her soul, and send her into the arms of another man. TEMPTED BY DESIRE Strong, steadfast John Aldman is pleased with his pretty bride-to-be, but it is his brother, Daniel, whose every glance, every gesture touches Hannah's heart with fire. Just when desire threatens to burn out of control, Hannah's deception is discovered, sparking off bitterness that may cost her Daniel's love. Now, while raging brushfires blaze through the land-as red hot and unstoppable as the passion of two lovers-Hannah knows she must confront her past...before she can claim a love destined to burn brightly forever.
