Von Jaime Rush : Touching Darkness (The Offspring) before purchasing it in order to gage whether or not it would be worth my time, and all praised Touching Darkness (The Offspring):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Ich bin begeistertVon Cornelia WollersheimTouching Darkness beschreibt in einer weiteren Folge der Offspring-Reihe die

Geschichte von Nicolas und Olivia. Nicolas ist ein Offspring, Olivia nicht. Sie ist aber die Tochter des Mannes, der glaubt die Fäden zu ziehen und wegen seiner angeblichen so edlen Ziele bei Leichen geht. Mr. Darkwell. Die Story steigert sich zunächst langsam, kommt aber immer mehr in Fahrt, als Mr. Darkwell immer mehr an Glaubwürdigkeit verliert und an Irrsinn zunimmt. Mein Einstieg in die Offspring-Bücher war Burning Darkness, so dass ich die Vorgänger praktisch erst hinterher gelesen habe. Macht nichts. Jetzt freue ich mich auf den 5. Band, der aber leider erst im Oktober auf den Markt kommt.

Buchrückseite They live ordinary lives, but they are extraordinary. They are the Offspring, children of a mysterious experiment gone awry and they are in terrible danger. Nicholas Braden has an uncanny psychic talent for finding things which is why he's been recruited for a covert government program designed to hunt down terrorists. While his work for a shady controller named Darkwell is leading him down some very questionable alleyways, it's also bringing him closer to Olivia, Darkwell's stunning young assistant. A "good girl" with a wild, secret side, Olivia tempts Nicholas in ways he never believed possible and in his business, a loss of control could prove fatal. But there is something not right about the operation. And as Nicholas and Olivia's passion reaches a white-hot intensity, chilling reversals of good and evil, of right and wrong, suddenly threaten their very survival.
