A superb read (biligual review/zweisprachige Rezension) Von nic_the_dig ENGLISH REVIEW This debut novel reads so well, you'd be forgiven for thinking the author has many more books under her belt! The characters are well thought-out and developed, and you really do care about them. I felt Julie's indecision and fear so clearly that at times they felt like my own emotions! Seriously, this is a book you should read when you have the time to read it all the way through because the chapters fly by as you race to find out what's going to happen next. The storytelling is dynamic and involved; taking you from landscape descriptions so real you feel like you're there, to meals so well captured that you can almost taste them! In addition to the main storyline, the tiny details of daily life and developing friendships build such a vivid and engaging picture that you really feel like you also arrived in town with Julie. I'm so glad to hear that Lisa Airey is already working on the sequel :) My only criticism is that there are a few editing and typographical mistakes in the Kindle version - but don't let that stop you from enjoying a fantastic read! DEUTSCHE REZENSION Als erster Roman dieser Autorin ist das Buch einfach kaum zu glauben! Sympathische Charaktere, viel Emotion und viele Aktion. Ich wollte immer wissen, was zunchst passieren werde - das Buch ist total fesslend! Die Geschichte ist sehr dynamisch und bezaubernd. Die Landschaftsbeschreibungen wirken so darauf, als ob man selbst da wre. Das Essen im Buch ist auch so gut beschrieben, dass man alles fast schmecken kann. Ich hatte das Gefhl, dass ich auch mit Julie in der Stadt angekommen bin. Ich freu mich schon auf den zweiten Teil :) Der einzige Makel ist, dass es ein paar Druckfehler bei der Kindle-Version gibt. Aber die sind gar keinen Grund, auf den man dieses tolles Buch verpassen sollte! It is a fresh way to tell about a werewolf, even though one might call it a shapeshifter. And there is plenty of romance in it also, without being too mushy. I am looking forward to the next one in this series.
