Von Agatha Christie : Towards Zero (Agatha Christie Collection) before purchasing it in order to gage whether or not it would be worth my time, and all praised Towards Zero (Agatha Christie Collection):

this is my all-time sentimental favorite that left me gaping the 1st time I read it (waaay back when I was still in mini-skirts pony-tails). Years - and dozens of Christie - later, it still stands high as the most amazing murder web ever-penned. A touch of romance here there doesn't hurt either. A stunner woven with magnetic story-telling, glittering characters a sensational, mind-shattering ending. Pure EVIL !0 von 0 Kunden fanden die folgende Rezension hilfreich. Straight towards Zero Von Wolfgang Schumann Not being one of her great works, this book shows Agatha Christie's biggest (in my opinion) quality: telling a story without over-elaborating it. Some might find the characters to one-dimensional, but on the other hand one is not distracted. After all, it is a classic whodunnit (with a unfortunately early foreseeable end). Nice to read, anyway. 3 von 4 Kunden fanden die folgende Rezension hilfreich. Fiendishly clever Von Ein Kunde Though not as well known as many of Christie's books, *Towards Zero* is among her finest efforts. The plot is perhaps the most ingenious of all, with misdirection on a grand scale. Anyone who claims to have guessed the ending is lying. Poirot and Miss Marple fans may be annoyed that the starring role is given to Superintendent Battle, but he's more than adequate. A marvelously entertaining book.

Kurzbeschreibung An elderly widow is murdered at a cliff-top seaside house. What is the connection between a failed suicide attempt, a wrongful accusation of theft against a schoolgirl, and the romantic life of a famous tennis player? To the casual observer, apparently nothing. But when a houseparty gathers at Gulls Point, the seaside home of an elderly widow, earlier events come to a dramatic head. It's all part of a carefully paid plan for murder. *Pressestimmen* Agatha Christie has surpassed herself. (New York Times) Masterly storytelling.
