informativ Von Helawa Ich lese ab und zu die Seiten tower of the hand und winter is coming, so dass mich dieses Buch sofort angesprochen hat. Es nimmt einige der Diskussionen auf diesen Seiten auf und vertieft Theorien über verschiedene Aspekte aus Song of Ice and Fire. Wichtig zu wissen ist allerdings, dass man dieses Buch nicht lesen sollte, falls man noch nicht alle bisher erschienenen Bücher von SOIAF gelesen hat (also inklusive Dance with Dragons), da es auch einen ganz besonderen Fall aus Dance with Dragons behandelt, und man will sich ja nicht die Spannung verderben. Für Fans, die gerne viel über die verschiedensten Dinge aus GRRMs Büchern nachdenken und diskutieren ein Muss! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Very interesting essays Von Eva P. I heard about this book in a podcast (I think it was History of Westeros) and decided to buy it. It contains several essays, some with already known topics, some with ideas really new to me. They were all researched very well and interesting to read. 0 von 1 Kunden fanden die folgende Rezension hilfreich. A must for all followers of asoiaf fan theories Von Melanie Some interesting stuff, some less. Why John snow is not dead and the comparison of asoiaf characters to the dunk and egg novellas are really worth reading.

Kurzbeschreibung For the past seven years, we at ToweroftheHand.com have prided ourselves on being a premiere source of A Song of Ice and Fire analysis, information, and speculation. There has been nearly a metric ton of essays, forum posts, and encyclopedia entries logged at the site to date, all designed to give the hardest of the core fan the most rewarding experience possible while reading George R.R. Martin's seminal novels. And now we're taking all those years of mastery and applying them to an ebook. Tower of the Hand: A Flight of Sorrows takes five of the site's most prolific authors - including its two founders - and draws out their best, most in-depth work yet. Unlike other Ice and Fire compendiums, the focus of these essays is on the narrative, character, and thematic elements of the story itself, as opposed to the literary aspects surrounding the books. Even better, the TOTH editors are joined by some of their good friends, who just so happen to be leading voices in the Game of Thrones community: A Podcast of Ice and Fire co-hosts Amin Javadi and Mimi Hoshut, WinterIsComing.net founder Phil Bicking, and A Feast of Ice and Fire co-author Chelsea Monroe-Cassel. Altogether, the book's eight authors (and two special guests) cover a wide gamut of subjects and perspectives, from the most obvious to the most subtle, challenging readers to look at the novels they love so much in entirely new - and more enriching - ways.
