Von Kim Karr : Toxic before purchasing it in order to gage whether or not it would be worth my time, and all praised Toxic:

KurzbeschreibungNewYork Times bestselling author Kim Karr turns up the heat in a smoking hot, emotionally

compelling romance that takes you into the world of Manhattan's elite. Meet Jeremy McQueen, a sexy, intense, brooding entrepreneur who goes after what he wants, and Phoebe St. Claire, a socialite-turned-CEO who's been drifting through life searching for something she thought she'd never find again--the right man to share her future. Phoebe St. Claire has devoted herself to saving her family's hotel empire--but her best efforts have not been good enough. With her whole world in turmoil, the tenacious go-getter turns to the once love of her life. Far from innocent, Jeremy McQueen was the guy from the wrong side of the tracks who her parents would never have approved of. Their years apart have only made the sexy bad boy more irresistible than ever--and their reunion is explosive.
