**Von James Rollins : Tracker (Sigma Force Novels)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Tracker (Sigma Force Novels):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Short storyVon DemuliOK reading nothing fancy. I had read the Blood Line bevor, which is the next Kane-Tucker's adventure along with the Sigma force Team in Zanzibar, so it is like reading backwards really. Anyhow, a new hero a new promising good Story to follow.0 von 0 Kunden fanden die folgende Rezension hilfreich. Entertaining but no

novelty Von Stefan Irmisch Overall nice Story, but when I read it I had the impression to have read it before. The end is pretty fast and not very convincing. 0 von 0 Kunden fanden die folgende Rezension hilfreich. boring and pointless Von Customer everything predictable, characters totally uninteresting, and just a lead in to read the next story, which I will not do.

Kurzbeschreibung From New York Times bestselling author James Rollins comes a stirring story of a soldier and his military war dog who are drawn into a dark mystery tracing back to World War II and a lost treasure tied to the bones of the dead. Off the streets in the medieval heart of Budapest, Captain Tucker Wayne and his war dog, Kane, rescue a mysterious woman fleeing three armed men. The secret she holds will unlock a terrible treasure, one steeped in blood and treachery, tied to a crime going back to the fall of Nazi Germany and a heritage of suffering and pain that reaches out from the past to wreak havoc today. In a final showdown in the depths of a lost cemetery, truths will be unearthed, treasures exposed, and the fate of all will rest upon the shoulders of one man and a dog whose courage is beyond measure. Included with this thrilling story is sneak peek at Bloodline, where the further exploits of Tucker and Kane will be revealed.
