Von Fern Michaels : Trading Places (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Trading Places (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Ein Genuss von A-Z! Von Lajuna Trading Places hat mich von Anfang an begeistert, auch wenn der Prolog ziemlich heftig war. Denn obwohl die Bücher von Fern Michaels immer ein gutes Ende finden, müssen manchmal auch Opfer gebracht werden. In diesem Fall hier laufen die beiden Detectives Aggie Jade und ihr Partner und Ex-Freund Tom Madsen in eine Falle. Tom hat eigentlich das Zeug zur Hauptfigur und es hat mich hart getroffen, dass er gleich zu Anfang stirbt. Aggie und ihr K-9 Gus werden schwer verletzt und überleben nur knapp. Nach 6 Monaten kann Aggie erst die Rehabilitation verlassen und muss feststellen, dass die Untersuchungen der Polizei eher mangelhaft bis gar nicht durchgeführt wurden. Aggie ist nicht in der körperlichen und psychischen Verfassung, selbst Jagd auf die Mörder, die sich in den eigenen Reihen befinden müssen, zu machen. Sie tauscht mit ihrer Zwillingsschwester Lizzie, einer professionellen Pokerspielerin aus Las Vegas, die Plätze, damit Lizzie den Fall weiter verfolgen kann, bevor alle Spuren endgültig kalt sind. Lizzie hat ein ganz anderes Temperament als Aggie. Sie kann mit der Waffe fast ebenso gut umgehen wie Aggie und hat einen braunen Gürtel in den Martial Arts. Sie schmeißt sich voll ins Zeug, widersteht Drohanrufen, einem Mordanschlag und Anfeindungen durch ihre Kollegen, und sucht zusammen mit dem Reporter Hank, der sehr viel bringt für die "neue" Aggie, nach Hinweisen. Aggie erholt sich derweil beim Anbau von biologischen Karotten zusammen mit ihrem Nur-Freund Alex, der die Gelegenheit wahrnimmt und Aggie erobert. Leider läuft nicht alles nach Plan und Aggie und Lizzie müssen sich absetzen. Es sieht gar nicht gut aus für Recht und Gerechtigkeit und schon gar nicht für die Liebe. Ein Fern Michaels von der Ladythriller-Sorte der Extraklasse mit einem Hauch von Sisterhood. Ein wirklich gutes Buch, für Fans ganz sicher ein Genuss.

Kurzbeschreibung Bestselling author Fern Michaels creates breathtaking excitement with this page-turning novel of twin sisters who pull off a daring identity switch that lands them in the middle of love and danger. Atlanta police detective Aggie Jade is still recovering from the raid that took the life of her partner and former boyfriend -- and nearly killed her and her beloved K-9. She's not ready to hit the streets again, but she's desperate to hunt down the cop killers who shattered her world. That's when she asks her identical twin sister to trade places with her.... Lizzie Jade is as flashy and fiery as Aggie is quiet and conservative -- and the high-rolling Vegas gambler loves a challenge: turning in her stiletto heels for a badge is the perfect role for Aggie's "wild card" sister. But the gutsy charade gets complicated when sexy investigative reporter Nathan Hawke senses something bold and new about "Aggie," who no longer shies away from his flirtations. As Lizzie and Nathan join forces to uncover a web of lies and corruption, Lizzie finds herself giving in to his charms. But how can she confess that she's not who he thinks she is? And how can she let herself fall in love when she and her twin might have to run for their lives? From Publishers Weekly Though the plot may bring to mind that familiar comic classic, *The Parent Trap*, the twins in this talky tale are motivated by justice, not love. Unfortunately, the scheme that Michaels's (About Face, etc.) bumbling protagonists cook up is so absurd and slapdash that readers will be hard-pressed to suspend their disbelief. When Atlanta Detective Aggie Jade and her clever canine, Gus, wind up in the hospital after a drug bust gone awry, she deduces that she was setup. She knows three cops within her department are involved in a drug ring, but how many others are on the take? Instead of turning to Internal Affairs, Aggie calls in her twin, Lizzie, a wealthy professional gambler who allegedly has an "agile brain," and proposes that Lizzie pose as her while she recovers in Pittsburgh. Lizzie agrees to ferret out the bad guys with the help of hunky reporter Nathan Hawk, but things get out of hand quickly when her life is threatened. The bulk of the book is told through colorless dialogue rather than action, which renders the plot and characters flat. In addition, the story rushes to its climax only to give way to a long-winded conclusion. That said, it's hard not to share in the protagonists' jubilation when the bad guys are finally brought down.
