Hier geht es um Drake und Presley.Presley kmpft mit den Dmonen ihrer Vergangenheit, nicht nur mit den aktuellen, sondern es stellt sich heraus, dass sie einen Rucksack an Problemen aus frherer Zeit mitschleppt, von dem niemand wusste. Drake versucht stark zu

sein für sie beide und kämpft mit allen Mitteln, um Presley zurück ins Leben zu bringen. Das gesamte Buch ist sehr tragisch und düster, trotzdem hat mir der Teil ein wenig besser gefallen als Teil 1, denn hier gibt es lange nicht soviel Gewalt. Es geht aber andererseits tiefer unter die Haut und kann einen ganz schön runterziehen. Ich habe mich ertappt, dass ich viel darüber nachgedacht habe, denn was hier passiert, kann genauso gut jedem hier passieren, vor allem ist das, was hier passiert, ein wenig glaubwürdiger als die Vorfälle in Band 1 (auch wenn diese ganz sicher im echten Leben passieren, aber definitiv nicht so oft). Jetzt muss ich allerdings zwischendurch was lesen, das definitiv nicht so düster ist, bevor ich mich Teil 3 widme. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Wow! Von Anja S. This was a book that was both hard to read and impossible to set down. I was emotionally wrecked. It starts around 2 years later from Scarred Love. It's Drake Evans and Presley Quinn's story. Presley is dealing with some serious issues. Drake is amazing, strong and will do anything for the love of his life and his family.

Kurzbeschreibung From the moment I locked eyes with hers, we've had this undeniable connection that was and will always be wicked. A love that would literally kill me if it didn't survive, but lately, could kill me if it did. ~Drake Evans. For Drake and Presley, life has handed them more challenges than any one person should ever face in a lifetime. Together, they've survived Presley's captivity from her deranged uncle, but now they must learn how to live with the events that surrounded her time spent with him, while keeping the details of her rescue a secret. For Presley Quinn, living the last two years has been practically unbearable, constantly drowning in nightmares put there by a man responsible for the violent images continually playing in her mind. She keeps moving forward, but is barely clinging onto the edge when she's faced with another obstacle from her past that is so unavoidable, so tragic, it threatens to break her apart herself. Drake will do anything to protect Presley from ever feeling pain again. His love is irrefutable. He walks side by side with her, vowing he will never let anyone harm her again. However, when an unexpected event turns Presley against everyone she's ever loved, Drake is faced with trying to save the only woman he's ever loved or severing the only lifeline she's ever had himself. ****Mature Content Warning**** 17 years and older for language and sexual content
