Von John Dysart : Trail of Greed: Fighting Fraud and Corruption... A Dangerous Game (English Edition)
before purchasing it in order to gage whether or not it would be worth my time, and all praised Trail of Greed:
Fighting Fraud and Corruption... A Dangerous Game (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Very BritishVon buecherwurmI like the protagonist and his family. Well written with a sense of humour. Very British which made me smile. If you are a golf player this book will wet your appetite for Scottish golf clubs :-) Very recommendable.

KurzbeschreibungBob Bruce's retirement is settling into an easy rhythm of golf and gardening when a knock at his door brings a stranger with startling news that will change his life. Together they unearth a fraud being conducted by a financial investment firm in Edinburgh. Their decision to investigate puts Bob's life in danger and encourages them to take the law into their own hands. Their unmasking of the fraud leads to an attempt on Bob's life. The trail leads to a crooked Scottish MP, but things are not what they seem. It will take murder and torture to reveal the villain. John Dysart's first book is light and fast-moving.KurzbeschreibungBob Bruce's retirement is settling into an easy rhythm of golf and gardening when a knock at his door brings a stranger with startling news that will change his life.
