**Von Merry Farmer : Trail of Kisses (Hot on the Trail Book 1) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Trail of Kisses (Hot on the Trail Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Nice.Von SophiaI received this book as an ARC for an honest review.This was the first time I was approached for an honest review, so I was really looking forward to this book. However as soon as I started reading I realized that I had

put on my teacher-and-critique-glasses and could not take them off. Therefore this may be a very strict review. The situation is easily enough, however as I did not read the plot before I started reading (I wanted to dive into the story without any assumptions) for the first 2 or 3 pages I was a bit confused. The heroine gave me the feeling of being 6 years old (seriously! I saw her as a little girl!) and I had to gradually adjust my view of her age. She started out as a 6-year-old, went on to 12 years and then suddenly her age was revealed and she was 22. My chin kind of dropped. She did not carry her as a 22-year-old (trust me. she is my age.) and I was a bit dumb-founded. However: she is in a dire situation and berates herself for her behavior. Maybe I would be whining and struggling and begging the same way, if I were in her situation. I just could not get warm with Lynne. She is one of these characters who can be described as "feisty" and I have learned to circle around "feisty" heroines. "Feisty" is another word for constantly-shooting-their-mouth-off-without-regard-for-anybody-but-themselves and bringing-themselves-in-trouble and never-listening-to-anybody-because-they-always-know-best. She is not a bad character. She is just not a very likable character (at least for me). She appears to be arguing just because she can and that's just something I do not like. Cade is okay. He is a genuinely nice guy. Sadly that is about all I can say about him. He is nice. And well, I liked him. \*shrug\* He is a bit like a cup of tea in the morning - you drink it, you like it, you forget about it. You read about Cade, you like him, you forget about him. The plot was simple. For me the villain was fairly obvious and it seemed strange to me that Cade did not suspect him sooner. Also it confused me that Lynne (an unmarried woman) is being sent alone on the trip and not together with a chaperone. \*Taking of my teacher-and-critique-glasses\* This book is nice. It is one of these books you read while lying in the hammock with a glass of iced-tea and your cat curled up on your stomach. It will not pull you to heights of heaven and it will not throw you in the abyss of hell. It will give you a warm and fluffy feeling, make you smile a bit and make your weekend a tad bit better.

Kurzbeschreibung Someone is trying to kill Lynne Tremaine. After her father sentences two members of The Briscoe Boys gang to death, Judge Tremaine feels he has no choice but to send Lynne to Denver City along the Oregon Trail to live with her Uncle George against her will. For Lynne, the only thing worse than being sent away to the wild west is making the journey with the handsome, arrogant, wicked man her uncle has hired to escort her. Especially when the anger she feels toward him begins to turn to something hotter. Cade Lawson is determined to prove himself to his employer, George Tremaine, after letting him down months earlier. But what he thought would be his second chance may, in fact, be a harsh punishment for his past mistakes. Lynne is headstrong, fiery, and determined to show him she is fearless. She is also beautiful and tempting, and when Cade sees just how afraid she really is underneath her brave act, he may be in danger of losing his heart to her forever. When her would-be killer attacks, it's all he can do to keep Lynne safe. He swore to protect her, but who will protect him from her? PLEASE BE ADVISED - Steam Level: Hot
