Von Eileen Goudge : Trail of Secrets (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Trail of Secrets (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A VERY ENTERTAINING SUSPENSEVon Ein KundeI love the way Ms. Goudge loves to intertwine lives! This book is one of those examples. Like 'Garden of Lies', again lives are intertwined. Ms. Nightingales' baby is kidnapped. For several years she tries to adopt a baby, but each adoption fails. Finally an adoption succeeds. In that adoption, she

unknowingly adopts her very own biological grandchild! In the end, victory prevails and everyone is happy. Very rich and deep plot. Very entertaining. I would recommend reading this novel, and I commend Ms. Goudge for writing it.0 von 0 Kunden fanden die folgende Rezension hilfreich. This book was very entertaining and hard to put down. Von Joan FalconI loved this book. I thought it was thoroughly entertaining. I think the readers who didn't like it were trying to read too much into it. It's not a masterpiece. It's simply a book that a reader can get lost in and enjoy. I do agree with the reader that said that the male characters were poorly developed. I also hated the fact that Tony had to do all of the chasing. However, this is fiction. Purely enjoyable fiction.0 von 0 Kunden fanden die folgende Rezension hilfreich. I was hooked after the first chapter Von Dianne W. CrawfordI thought this was very enjoyable. A fast read and entertaining.

KurzbeschreibungFrom the New York Times bestselling author of Garden of Lies comes this haunting novel of mothers and daughters confronting their family's dark past Ellie Nightingale moved to New York in the early 1970s, a scared country girl with a newborn, no money, and no one to run to but her sister, a prostitute with a couch to spare. Ellie worked as hard as she could, determined to make a good life for her child, but one day the baby disappearedkidnapped and handed over to a wealthy Connecticut couple. Skyler Sutton has grown up with riding lessons, fine clothes, and no idea that the people who raised her aren't her real parents. But when an accidental pregnancy forces her into the same desperate circumstances her own mother was in when she gave birth to her, Skyler is finally brought face-to-face with her past. As three women linked together by fate move toward a shocking discovery, Eileen Goudge's enthralling novel of romance and suspense will keep all who love a secret riveted (Publishers Weekly). This ebook features an illustrated biography of Eileen Goudge including rare photos from the author's personal collection.
