Von Leta Blake : Training Season (Training Season Series Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Training Season (Training Season Series Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Nice

enough story about figure skating twink and his dominant rancher Von Johanna I have to admit that I was drawn to Training Season by some of the GR reviews who had some pretty crass words to say about it. I just had to read and find out myself. And well yes, there were some pretty intense things going on. But in the terms of real BDSM it wasn't as harsh or extreme as I thought it would be. It also wasn't as incredibly good or incredibly awful as the reviewers made it. It was just a good book. I enjoyed that Matty was a real twink sort of gay man. Though I've read quite some m/m romances by now, I still haven't read a lot about men who really wear make-up and glitter and women's clothes and call themselves girl. I loved that and it made me stick to the story more than the plot actually. It felt like the book was trying to be too many things at once and couldn't figure out what kind of book it wanted to be. So it ended up being just plain and mediocre in all those places it was touching. The story could have been grand but it was just nice. Rob could have been intense and swoon-worthy but he, too, was just okay. The BDSM (breath play, enemas, whips, etc.) could have been intense and heart-stopping but it didn't really touch me. Hard for me to explain but it just was what it was. Blake's writing was smooth and endearing yet nothing spectacular just like the whole book. So in the end, I did enjoy Training Season, just not to leave a memorable impression. Only enough to be entertained for the moment. But I'm sure there will be lots of people out there who simply love it.

Top Von BonesMir hat die Geschichte sehr gut gefallen, ich konnte das Buch gar nicht mehr aus der Hand legen, ich habe mit Matty mitgefiebert und mitgelitten bis zum Ende. Ein Großteil der Handlung spielt im ländlichen Montana, wo der make-up tragende Eiskunstläufer Matty seine Verletzung auskuriert und den superheilen Rancher Rob trifft. Und die Beziehung zwischen den beiden wird immer intensiver, aber beide wissen dass ihre Zeit zusammen auch begrenzt ist. Rob ist ein bisschen dominant, aber bis auf eine Szene hlt sich der BDSM-Anteil doch sehr in Grenzen. Nach 6 Monaten muss Matty dann auch zurück nach New York um für Olympia zu trainieren, und hier muss man wirklich mitleiden mit ihm. Von mir volle Leseempfehlung.

Very explicit Von CoffeeAndBooks*** I have received an ARC via NetGalley ***Yes, this is a very explicit book and while I love to read romance/erotica, be it m/f, m/f or a menage, some scenes left me uncomfortable and fast forwarding to the next chapter - cue Enema, that was just gross, not something I'd like to read again. I don't know, maybe there are people who are ok with reading descriptions of doing your thing while your partner watches? Not me! I found the story towards the end a bit dull and frustrating, why did Rob have to give up his ranch? And why were those two behaving like teenagers at the end of the story? The whole "I'm not talking or explaining anything" was dragging the pace of the book. However, I did like the couple Rob and Matty (especially his pampered self, make up designer clothes ;)) and the book was a nice read (except the enema thing *shudder*) but not as consistent as I wished. I'm looking forward reading Leta Blake's next book, because I think that she has an engaging writing style, it's just that some points and some things just weren't for me.

Kurzbeschreibung Unquestionably talented figure skater Matty Marcus is willing to sacrifice everything for his Olympic dream, but his lack of discipline cost him the gold once before. Now the pressures on. He needs a coach who can keep him in line, but top coaches don't come cheap, and Matty can't afford to stay in the game no matter how badly he wants to win. When a lucrative house-sitting gig brings him to rural Montana, Matty does his best to maintain his training regimen. Local residents turn out to be surprisingly tolerant of his flamboyant style, especially handsome young rancher Rob Lovely, who proves to be much more than a cowboy stereotype. Just as Matty requires a firm hand to perform his best on the ice, Rob shows him how strong he can be when he relinquishes control in the bedroom. With new-found self-assurance, he drives himself harder to go straight to the top. But competition has a timetable, and to achieve his Olympic dream, Matty will have to join his new coach in New York City, leaving Rob behind. Now he must face the ultimate test. Has he truly learned how to win on and off the ice during his training season? This book contains some BDSM elements.

ber den Autor und weitere Mitwirkende For as long as Leta can recall, stories have hijacked her mind, abducting her to other lands, and forcing her to bend to the will of imaginary people. While Leta Blake would love to tell you that writing transports her to worlds of magic and wonder and then safely returns her to a home of sparkling cleanliness and carefully folded laundry, the reality is a bit different,

the reality is her absence results in piles of laundry and forgotten appointments. In between abductions, Leta works hard at achieving balance between her day job, her writing, and her family.
