Spannend Von Francis Dies ist das 2. Buch der 2. Demon Wars Saga. zwischen der 1. und der 2. Saga gibt es noch zusätzlich eine Art Berührungsbuch was bedeutet das dieser Teil eigentlich das 6. Buch zu dieser Geschichte ist. Bei vielen anderen Geschichten bei denen es schon so viele Bücher gibt hat man oft das Gefühl das sich der Autor bemüht die Handlung künstlich in die Länge zu ziehen nur damit die Geschichte nicht zu Ende ist. Dieses Gefühl hat man hier überhaupt nicht die Geschichte entwickelt sicher rasant und es gibt (weiterhin) oft neue Wendungen so das es nie langweilig wird. Von R.A. Salvatore kann man auch nichts anderes erwarten. Er ist ein Genie auf seinem Gebiet. Ich kann die gesamte Saga nur empfehlen! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Great Von Catalus First I was rather disappointed, because Transcendence tells the tale of Brynn Dharielle instead of Ahdrian and so my curiosity about him wasn't sated. But I was soon consumed by this wonderful story, meeting the mysterious Doc Alfar and the Dragon Agradeleous. The book is aptly named, not only because the secrets of Brynn Dharielles most dangerous enemy, who has found a rather awful way of transcendence, but because of the Jhesta Tu, a mystic order which has its own way to transcendence. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Book 4 of the Demon Wars Sage! Von Mr. S. D. F. Motuel A fitting sequel to the past 3 books... an inspiring read, Salvatore has once more created an excellent adventure in his own world!

Kurzbeschreibung TRANSCENDENCE It is the summer of 839. Brave and beautiful Brynn Dharielle sets out on a daring mission to free her beloved homeland from tyrannical rule. But she cannot imagine the depth of chaos, corruption, and betrayal that seethes amidst a ruthless sect of warrior priests, led and manipulated by an evil chieftain who conceals a dark, age-old secret. For Brynn and her trusted elven companion, the way to Behren turns into a fierce and illuminating voyage beneath the Belt-and-Buckle mountains. And while they face many dangers, the knowledge they acquire will have profound implications for the future of the elven valley, a land shaped by the plotting of a queen desperate to hold onto her magic. Meanwhile, by the time Brynn reaches the land where she once saw her parents murdered, the seeds of revolution are already flourishing. For a courageous young woman and her elven mentor, the first salvo of a sweeping battle has begun one that will threaten to destroy the heart and soul of their world. The eagerly anticipated new novel in R. A. Salvatore's Second Demon Wars saga, Transcendence is an extraordinary adventure that introduces a remarkable new hero and explores the mysteries of enlightenment and the art of war . . . in a dazzling epic of the imagination. From the Hardcover edition.. de In Transcendence, the second book in his second Demon Wars Saga, author R.A. Salvatore adds another layer to the events of book one, Ascendance, with a parallel plot line in the desert kingdom of Behren. He spotlights the Elven-trained Ranger Brynn Dharielle as she quests to claim her birthright and free the nomadic To-gai from the theocratic occupation of Behren and its dark kingpriest--Yakim Douan. Transcendence is as much the story of Brynn's quest to free the oppressed To-gai as it is the tale of their oppressors. While events in Ascendance are heating up, Transcendence introduces the Yatol leader Douan who is single-mindedly preparing for his, yes, "transcendence" wherein the leader will die to be reborn. It's the secret behind this miracle and Douan's machinations to secure his lands in preparation for the rebirth that will eventually allow Brynn to free the To-gai from the Behrenese yoke. But Brynn's quest will unleash the deadly power of an ancient ally who will test her resolve to win her people's freedom. Transcendence is excellent fantasy. Salvatore's characters stride across a grand stage that is epic in scale yet still detailed and personal. The juxtaposition of happenings in the first two books sets up what will be a thrilling conclusion as the political implications of each will undoubtedly collide in book three. --Jeremy Pugh.com In Transcendence, the second book in his second Demon Wars Saga, author R.A.
