Kingu trifft Hope - seine ganz persnliche HoffnungVon Schmidt RosemarieKingu - ein nicht wirklich wichtiger Gott, trifft auf Hope und sie ist fr ihn eben genau das - Hoffnung! Die hat er aber auch wirklich ntig, nachdem er unendlich lange von seiner eigenen Mutter gefoltert wurde.Insgesamt eine wirklich kurzweilige Geschichte in der natrlich auch die Liebe nicht zu kurz kommt. Eigentlich htte sie ja wirklich fnf Sterne verdient, aber die Autorin Cassandra Gannon hat diesen fnften Stern verschenkt, da sie sich nicht mal die Mhe gemacht hat ihre Geschichte, wie brigens auch die anderen auf Kindle erschienenen Romane noch einmal durchzulesen, oder durchlesen zu lassen. So vergeht fast keine Seite auf der man nicht ber irgendwelche Ungereimtheiten stolpert und sich fragt: "was will die Autorin mit diesem unlogischen Satz sagen?" Wirklich schade, denn so kann man die Geschichte nicht immer ohne Vorbehalt genieen.Aber trotzdem, die Geschichte an sich ist zauberhaft!

KurzbeschreibungElementals: Water, Earth, Fire and Air are only the beginning. Elementals support everything from Darkness to Time, secretly maintaining the processes of nature. Only now the Elementals are nearly extinct. Two years ago, the Air House released a plague that killed ninety percent of them. With their society in chaos and so many of their kind dead, they cant find their Phase-Matches; the other halves of themselves. Without Matches they cant have any more children and without the Elementals, the world will end. Again.Kingu: The son of the primordial Khaos, Kingu knows that hes a soulless monster. Hes spent his entire existence enslaved and hated. Now that hes finally free, though, the only thing he wants is to somehow find a woman of his own. Against his better judgment, Kingu enlists the help of the Elementals, the universes most annoying species, to track down his mate. All he wants is one quiet, uncomplicated woman, who wont run when she sees his monstrous face. Instead, he gets a chatty little blonde lunatic who thinks shes a warrior.Hope: Adopted by the Fire House as a child, Hopes spent her entire life idolizing her bombastic family and learning their unconventional views on romance. Fire Phases see kidnapping as foreplay, gladiator fights as a great opportunity to impress your Match, and monsters as the pinnacle of masculine hotness. When Hope winds up as a prisoner in Kingus invitingly morbid fortress, she cant believe her luck. Shes always believed she was jinxed, because so many weird things happen around her, but now she knows shes found her soul mate. All she has to do is defeat a few enemies, keep up with all the lies shes telling to hide her identity, and somehow convince a gigantic monster that he actually has a soul.Book Four of the Elemental
