"treasure of the sun". die handlung wirkt konstruiert, die personen knstlich, die schroffen und holprigen bergnge zwischen den szenen nehmen einem dann noch das letzte lesevergnngen. ich habe das buch im urlaub gelesen, hatte kein anderes dabei und bin deshalb drangeblieben. am ende wurde ich dann doch frs durchhalten belohnt, die geschichte nimmt einige interessante wendungen und wird insgesamt besser und lebendiger. deshalb auch 2 sterne statt nur einem. trotzdem bleibe ich knftig, was historische romane betrifft, bei lisa kleypas und karyn monk. da wei ich, dass die qualitt stimmt.4 von 6 Kunden fanden die folgende Rezension hilfreich. Great Book!Von Ein KundeThe hero, Don Damien De La Sola, is a hearthrob hero to die for. You will fall in love with him ten pages within the book. And Katherine is a typical sensible heroine typical in Christina Dodd's books. There was good chemistry between the hero and heroine, and their love was so real. Anyone considering this book, i'm telling you, you will not be dissappointed in this one.0 von 6 Kunden fanden die folgende Rezension hilfreich. I loved it!Von Ein KundeThis is one of the best books I have ever read. There was great chemistry between the hero and heroine, and a wonderful story between them. I have always loved reading Christina Dodd because she always writes great books.
