KundenrezensionenHilfreichste Kundenrezensionen1 von 3 Kunden fanden die folgende Rezension hilfreich. another great Lori Foster book!Von Ein KundeThis is finally Zack Grange's story and boy is it a really good one. His daughter Dani is so cute and his interactions with Wynn is great. The chemistry between them sizzles and still we get enough info about the secondary characters and also between the primary ones. gotta recommend this one!

KurzbeschreibungMAYBE OPPOSITES ATTRACTParamedic Zack Grange was in the market for a wife, but not just

any wife. He wanted the perfect role model for his little girl. When Wynn Lane moved in next door, he could state exactly what he didn't want in a wife. No brash, unorthodox s need apply! But that was just the father in him talking; the man said "bring it on! " AND MAYBE THEY DON'T. Wynn was no shrinking violet and she wasn't about to change for Zack Grange. Not that he'd asked her. Still, she would have liked to think he saw her as more than a sexy playmatemaybe even loved her half as much as his daughter did
