Von Caitlin Daire : Trick - A Stepbrother Romance (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Trick - A Stepbrother Romance (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Patrick und Lucy - Stepbrother DurchschnittVon MinelliAlso ich glaube das ist mein 5. oder 6. Stepbrother Buch und man wei halt irgendwann wie der Hase luft. Es ist nicht so, dass das Buch schlecht war, aber es war auch nicht besonders toll.Der Protagonist nimmt der Protagonistin in der High School ihre V-Card und lsst sie am nchsten Tag fallen.Jahre

spter entschuldigt er sich und alles ist wieder gut. Ich glaube in solchen Situationen sind die Protagonistinnen meistens bessere Menschen als ich. Ich wrde den Typ kriechen lassen....Ansonsten ist in diesem Buch noch etwas suspense drin. Das war neu.Und ich habe auch etwas gelernt... Schadenfreude ist offenbar ein Wort in der englischen Sprache (so wie Bratwurst).

KurzbeschreibungThey call him Trick. Take off the T and add a P, and thats what I call him.Patrick Archer made my life hell in high school, but thats all over and done with now. Ive tried not to think about him since I graduated a year ago, because if I did, all Id be able to think of is punching him right in his stupid face. His sexy, perfect face. Dammit, even after everything he did, I still cant deny how hot he is, and its impossible to stop myself from picturing him in my dreams night after nightBecause theres no justice in the world, Patrick is a famous actor now, and his Mom is married to my studio executive Dad.making him my evil stepbrother. My Dad wants us all to act like a proper family and spend more time together, and as such, hes hired me to spend time with Patrick and clean up his bad-boy media image.So now Im stuck hanging around Patrick all the time, and hes barely making any effort to make my life or job any easier. Even when hes nice, I cant help but think he has an ulterior motive. After all, how much can you really trust a guy named Trick?***Warning: This book contains lots of HOT sex, drama, adult language and some violence. If this is not the kind of stuff you like to read, skip this book. Enjoy!***KurzbeschreibungThey call him Trick.
