Von Melissa Good : Tropical Storm: The 2010 Author Edition (Dar and Kerry Series) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Tropical Storm: The 2010 Author Edition (Dar and Kerry Series) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen4 von 4 Kunden fanden die folgende Rezension hilfreich. Der Einstieg in die Xena/Uber Literatur...Von Astridzumindest fr mich. Die beiden Protagonistinnen hneln nicht umsonst

uerlich einem bekannten Duo aus einer erfolgreichen amerikanisch/neuseeländischen Fernsehserie. Und noch mehr hneln sie den Charakteren Xena und Gabrielle aus Missy Good's Fan Fiction Geschichten; dazu kommen "Flashbacks" und Bruchstücke von Trumen die Dar und Kerry haben, in denen sie sich an ein vorheriges Leben als Xena und Gabrielle erinnern. Die Geschichte liest sich einfacher, wenn man das Hintergrundwissen besitzt; Leser, die mit Xena nichts anfangen konnten, werden aber trotzdem in der Lage sein, das Buch zu genießen. Melissa Good hat eine wunderbare Geschichte geschrieben, die gleichzeitig romantisch und interessant/spannend ist und die ebenfalls vom Humor der Autorin lebt. Das Buch gibt es auch in einer deutschen Übersetzung - allerdings empfehle ich die englische Fassung, wenn man sich das Lesen zutraut. Die deutsche Übersetzung ist dem Buch nicht gerecht geworden und es ist außerdem in drei einzeln zu kaufende Teile zerpflegt worden, die einen jeweils in der Geschichte hngen lassen. Alle weiteren (zum Teil noch nicht veröffentlichte oder nicht mehr zu beziehenden) Bände der Serie um Dar und Kerry sind übrigens auch auf der Homepage der Autorin zu finden; zusammen mit anderen Fan Fiction Geschichten, die sie geschrieben hat und die ebenfalls sehr empfehlenswert sind. 4 von 4 Kunden fanden die folgende Rezension hilfreich. Dieses Buch kann ich nur empfehlen! Von S. Sandra Dieses ist das erste Buch in Melissa Good's "Dar Kerry" Reihe. Missy Good hat viele Xena Fanfiction-Story's geschrieben und auch Dar Kerry beruhen auf Xena Gabrielle. Die zwei leben in Florida und arbeiten in einem großen Unternehmen. Zuerst mag Kerry Dar nicht besonders, doch schon nach kurzer Zeit merkt sie das der erste Eindruck nicht immer stimmt. Eine wunderschöne Liebesgeschichte mit Action, Spannung und viel Gefühl. Wer dieses Buch liest verliebt sich sofort in Dar Kerry und kann es nicht abwarten auch die restlichen Bücher dieser Reihe zu lesen. 2 von 2 Kunden fanden die folgende Rezension hilfreich. A story with heart Von Ein Kunde Tropical Storm is an excellent book! Missy Good is an exceptional writer with the ability to draw people into her stories and touch their hearts and souls. I've been reading other reviews on Tropical Storm where people didn't have as high opinion of Missy Good as I and her fans have of her, and their criticism of the book really hurts and angers me. They say her writing needs better editing. This makes me wish I could call 'em up and tell them that if you look and judge a story just because of it's editing and grammar, then go read an encyclopedia or something. Very few errors there. The content of the story is what counts the most. This is a story about two very different, extraordinary people who love each other very much. The heart in Tropical Storm is what makes the story so great. Another complaint is that the story is just another stupid Uber-Xena Fanfic. I won't lie and say that I don't LOVE Uber fanfic. I do, so my viewpoint may be kind of biased, but I really think it's great that we see people like Xena and Gabrielle in different times and situations. They're fascinating characters and to see how they might have lived in a different life is really neat. But in Tropical Storm, while Dar and Kerry are both like Xena and Gabrielle in the Uber sense, the characters are still very very different. You can't look at the characters in this book then watch the show and see an immediate similarity. The characters of Dar and Kerry are much more in depth and drawn out, giving us a look into their souls. They are two characters that you can just love and feel for. So please don't put down Tropical Storm or Missy Good. If the story writing is a little rough, who cares? If you're gonna read the story, just READ it. Don't judge it. Don't critique it. Just enjoy it =). It's a great read, folks.

Kurzbeschreibung From best-selling author Melissa Good comes a tale of heartache, longing, family strife, lust for love, and redemption. Tropical Storm took the lesbian reading world by storm when it was first written, and it hasn't stopped entrancing audiences. Dar Roberts, corporate raider for a multi-national tech company, is cold, practical, and merciless. She does her job with razor-sharp accuracy. Friends are a luxury she cannot allow herself, and love is something she knows she'll never attain. Kerry Stuart left Michigan for Florida in an attempt to get away from her domineering politician father and the constraints of the overly conservative life her family forced upon her. After college she worked her way into supervision at a small tech company, only to have it taken over by Dar Roberts' organization. Her association with Dar begins in disbelief, hatred, and disappointment, but when Dar unexpectedly hires Kerry as her work assistant, the dynamics of their relationship change. Over time, a bond begins to form. But can Dar overcome years of habit and conditioning to open herself up to the uncertainty of love? And will Kerry escape from the clutches of her powerful father in order to live a better life? The answer to both questions is no - unless these two women can strengthen and cement the tenuous bond that forms between them. First they must face storms that neither expects . . . and live to tell the tale. Don't miss this exciting revised "author's cut" edition now available for the first time as an eBook.
