**Von Leanne Banks : Trouble in High Heels (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Trouble in High Heels (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Oh-so addictive!Von Detra FitchHeiress Lori Jean Granger does not spend most of her money on material things. Instead,

she is famous for GIVING it away to just about every charity she comes across. Her accountant, Mr. Till, retires because he was unable to deny Lori anything. The other firm partners refuse to take the Granger account and the account is too big to toss away. So they call in Jackson James and offer him a junior partnership. Twelve years ago Jackson had been nothing. Since then he had worked long and hard to earn his way through college and get his CPA. But finally his dreams are beginning to come true. All he has to do is be firm with a little heiress, teach her about keeping a budget, and then keep track of her finances. It sounds almost too easy. Lori is not as incompetent or lacking in judgement as everyone seems to believe. She just has a soft heart. Thanks to the terms of her late father's will, Lori is about to have a very hard time getting any of her funds. This is, until she found a loop hole. To get access to her own money, which is held in trust, all Lori had to do was wed. After six years they could divorce and the man would be well compensated. Finding a man to agree to those terms and sign a prenuptial agreement should be easy. It became Johnson's job to find the best men for her to choose from. After all, he is her accountant and the marriage is only going to be part of her financial business. The only real problem is that neither Jackson, nor Lori, is as immune to the other's charms as they pretend to be.\*\*\*\*\* Only Leanne Banks could be talented enough to take such an outrageous plan and actually make it seem sane! From the beginning until the end I could not make myself put the book down. I simply HAD to know what was going to happen next. There is also a subplot running dealing with poor English duke, who originally planned to be the man Lori chose to wed, but finds himself drawn to a totally different lady. Well written, witty, and oh-so addictive! \*\*\*\*\*Reviewed by Detra Fitch of Huntress Reviews.

KurzbeschreibungHeiress Lori Granger looks like a million bucks--and is famous for giving much of her fabulous fortune away. But her generosity has outstripped her checkbook, and not even her glamorous image and come-hither eyes can save her now. Certainly not with Jackson James in the picture...Hired by her dad's estate to control her spending, this CPA with linebacker shoulders and gray flannel suits invades her space, insults her dog, and refuses to loosen his grip on her trust fund. Worse, he seems immune to her charms--unless she's close enough to kiss. Not a man to cross the line with a client, even when the attraction is hotter than a pair of Lori's highest sling-backs, Jackson agrees to help her find a husband to fulfill a condition of her father's will. Yet sharing her dreams with him makes Lori wonder: Could this infuriating Mr. Straight be the one to make them all come true?Pressestimmen"When life gets tough, read a book by Leanne Banks."Janet Evanovich, New York Times bestselling authorOn WHEN SHE'S BAD: "4 1/2 stars and a Top Pick! Leanne Banks wields her magic pen once again. With humor and insight, this supreme storyteller cuts to the heart of her characters's fears and insecurities and makes us fall in love right along with them."Romantic Times Bookclub"Banks's prose sparkles with energy and heart...the story strikes a true vein of gold."Publishers WeeklyOn SOME GIRLS DO:"Every girl from 18 to 80 will love Some Girls Do! The best feel-good book you'll read this year!"Janet Evanovich, New York Times bestselling author"Sassy, snappy, sexy, fun!"Susan Andersen, author of Getting Lucky"Leanne Banks has provided readers with another rip-roaring romance that is witty and charming right from the first page. Sexy and sassy, TROUBLE IN HIGH HEELS should be put to the top of your book-buying list."Patti Fischer, Romantic s Today, www.romrrevtoday.comOn TROUBLE IN HIGH HEELS: "From the beginning to the end I could not make myself put the book down.
